The screenshot displays a Microsoft Teams live stream interface. The main video area shows a presentation slide titled "Contoso Product Launch" with the subtitle "3D Printing is the future of manufacturing, and Contoso's printers are the next generation of 3D printing. Join Contoso as we unveil our cutting edge 3D printing technology." The slide also features the "CONTOSO" logo and a "3D printing" label. Two video thumbnails on the right show participants: Daniela Mandera and Samira Childs. The right sidebar contains a notification for Daniela Mandera's live stream, a description of the "Contoso Product Launch" event, and a list of questions from viewers, including "What can we do to help meet the outlined objectives for Q3" by Justin Beckles and "How do you envision this product growing with the user base?" by Samira Childs. The bottom of the interface includes a video player with a "LIVE" indicator, a progress bar, and a row of reaction emojis.

- Start Whiteboard from a Teams meeting for Teams Rooms on Windows

The screenshot shows a Microsoft Teams meeting interface. The main area is a whiteboard titled "Marketing Sync" with various diagrams and notes. On the left, there's a Venn diagram with three overlapping circles containing sticky notes. In the center, a yellow box says "Marketing data result,". To the right, a pie chart titled "MARKETING BUDGET" shows the following distribution: 40% (blue), 24% (yellow), 20% (orange), 16% (green), and 16% (light blue). Below the pie chart is a document titled "What is The Lemonade Company?" with a yellow cover and a green circle highlighting a section. Handwritten notes in red and purple ink are present: "use new layout please" with an arrow pointing to the highlighted section, and "more of these!" with an arrow pointing to the same section. A green box with "OPEN POS" is also visible. On the right side of the whiteboard, there's a diagram titled "Team Stakeholders" showing a hierarchy of people. The bottom of the screen shows a toolbar with various drawing tools and a list of participants on the right side.

Participants listed on the right:

- Kat L
- Reta T
- Edwin S
- Serena D.
- Daniella B
- Babek S

At the bottom left, there's a logo for "MÜNCHEN" with a silhouette of the city skyline.

At the bottom center, there's a status bar showing "Contoso Briefing" and "2:10 PM".

Maria, the sales team has an opening for two interns this summer. One writer and one design engineer. With the additions we'll be able to take on two more video projects. Hoping our **cost centre** gives us more budget going...

For the spring goodies you will need to enter the **cost centre** details. Only on filling the form with details of admin and address details will we be able to ship the goodies to the employees.

Hey all, I know there are many folks who are facing issues in entering business details like admin, **cost centre**, unit head, etc. Here's the document which contains these details. I will also detail out the process to update these in the system.

Below the messages, there is a section for "Files" showing a document titled "Cost centre updates.pptx" from Northwind Traders > Marketing, created by Beth Davies. The document content is partially visible, mentioning "We, along with Maria's team will continue our landscape-changing work on collaboratively markets via plug-and-play networks. Dynamically procrastinate B2C users after installed base..."
