## Features in the new Teams

The current Teams app wasn't built in a day, and the new Teams won't be either. Many of the features you know and love from classic Teams are already in the new experience, but others—like breakout rooms and 3rd party apps—are still being worked on. Check out what's available and what the team is still working on. This list will be updated on a regular basis.

### What's available

- Activity feed
- Chat
- Calls, including regular calls and Teams-to-Teams calls
- Meetings, including meeting start notification, custom backgrounds, and PowerPoint Live
- Teams and channels, including the [new channels experience](#)
- Support for multiple work accounts and tenants
- Downloading, uploading, and viewing files, as well as the Files tab in chats and channels
- Apps, including 1st party apps, such as Approvals and Tasks, and Microsoft 365 apps, such as Microsoft Viva

### What's being worked on

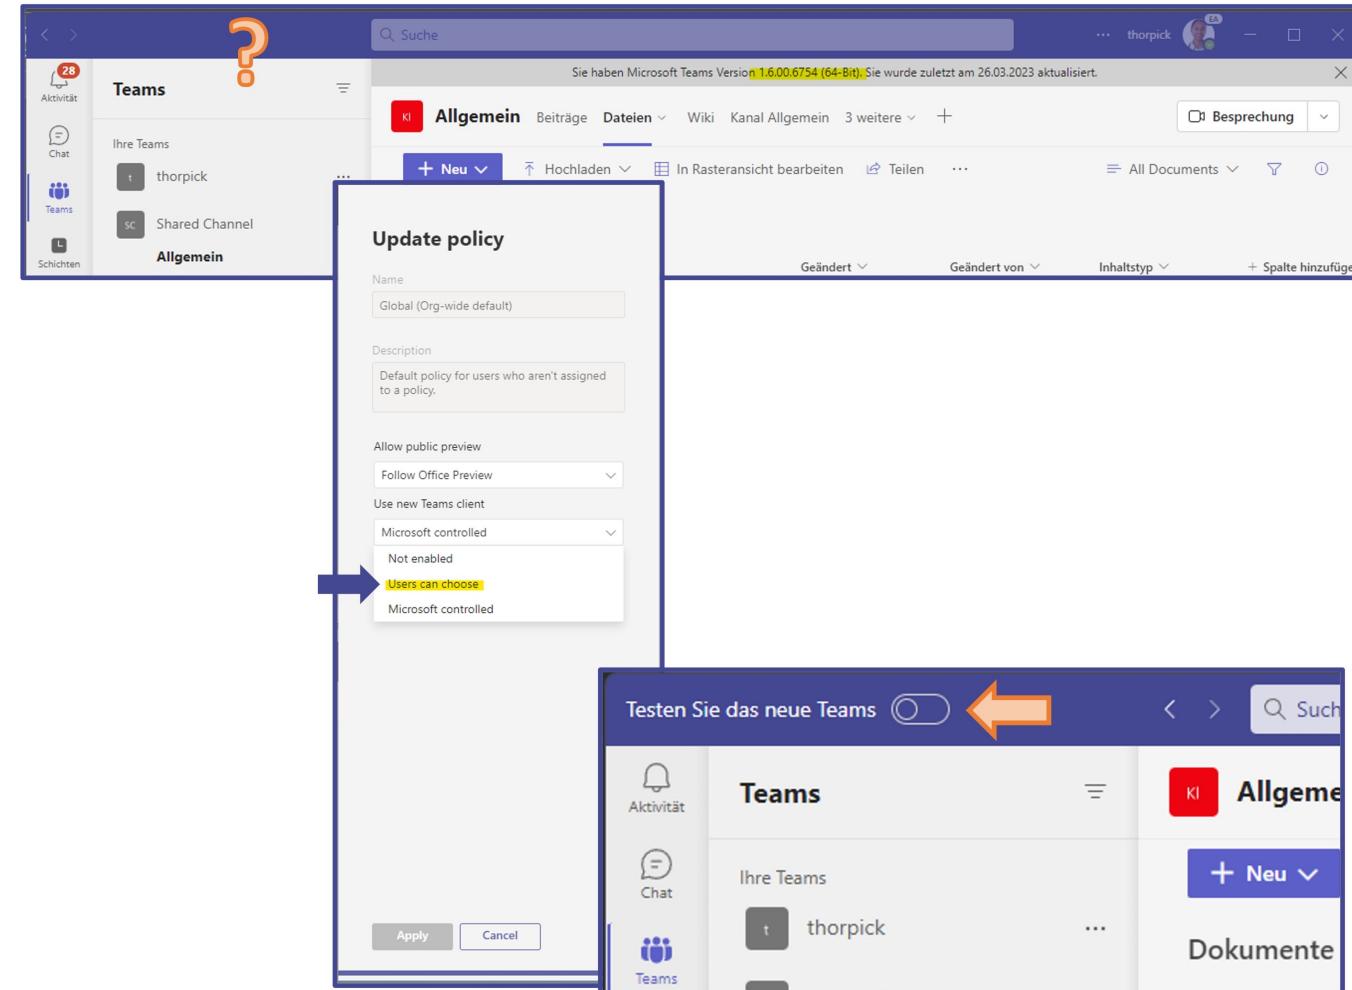

- Mac, VDI, EDU, and web platforms
- Government clouds (GCC, GCC-High, DoD)
- Advanced calling features, such as call queues and reverse number lookup
- Advanced meeting features, such as breakout rooms and 7x7 video
- Teams and channel creation, cross-posting, and channel announcements
- Search in chats and channels
- Files app, 3rd party apps, and Line of Business (LOB) apps

Lawrence Gilbertson 12:52 PM

We don't have any more revisions to make to the demo script before the event session.

Aaron Buxton 1:00 PM

Everything is good on the website side. The content and assets are ready to post.

Sarah Perez 1:04 PM

We're on track with the promotional content and will distribute it as planned.

- Dynamic emergency calling enhancements (US)

The image shows the Microsoft Teams Phone interface with several floating windows demonstrating dynamic emergency calling features.

**Left Panel (Phone View):**

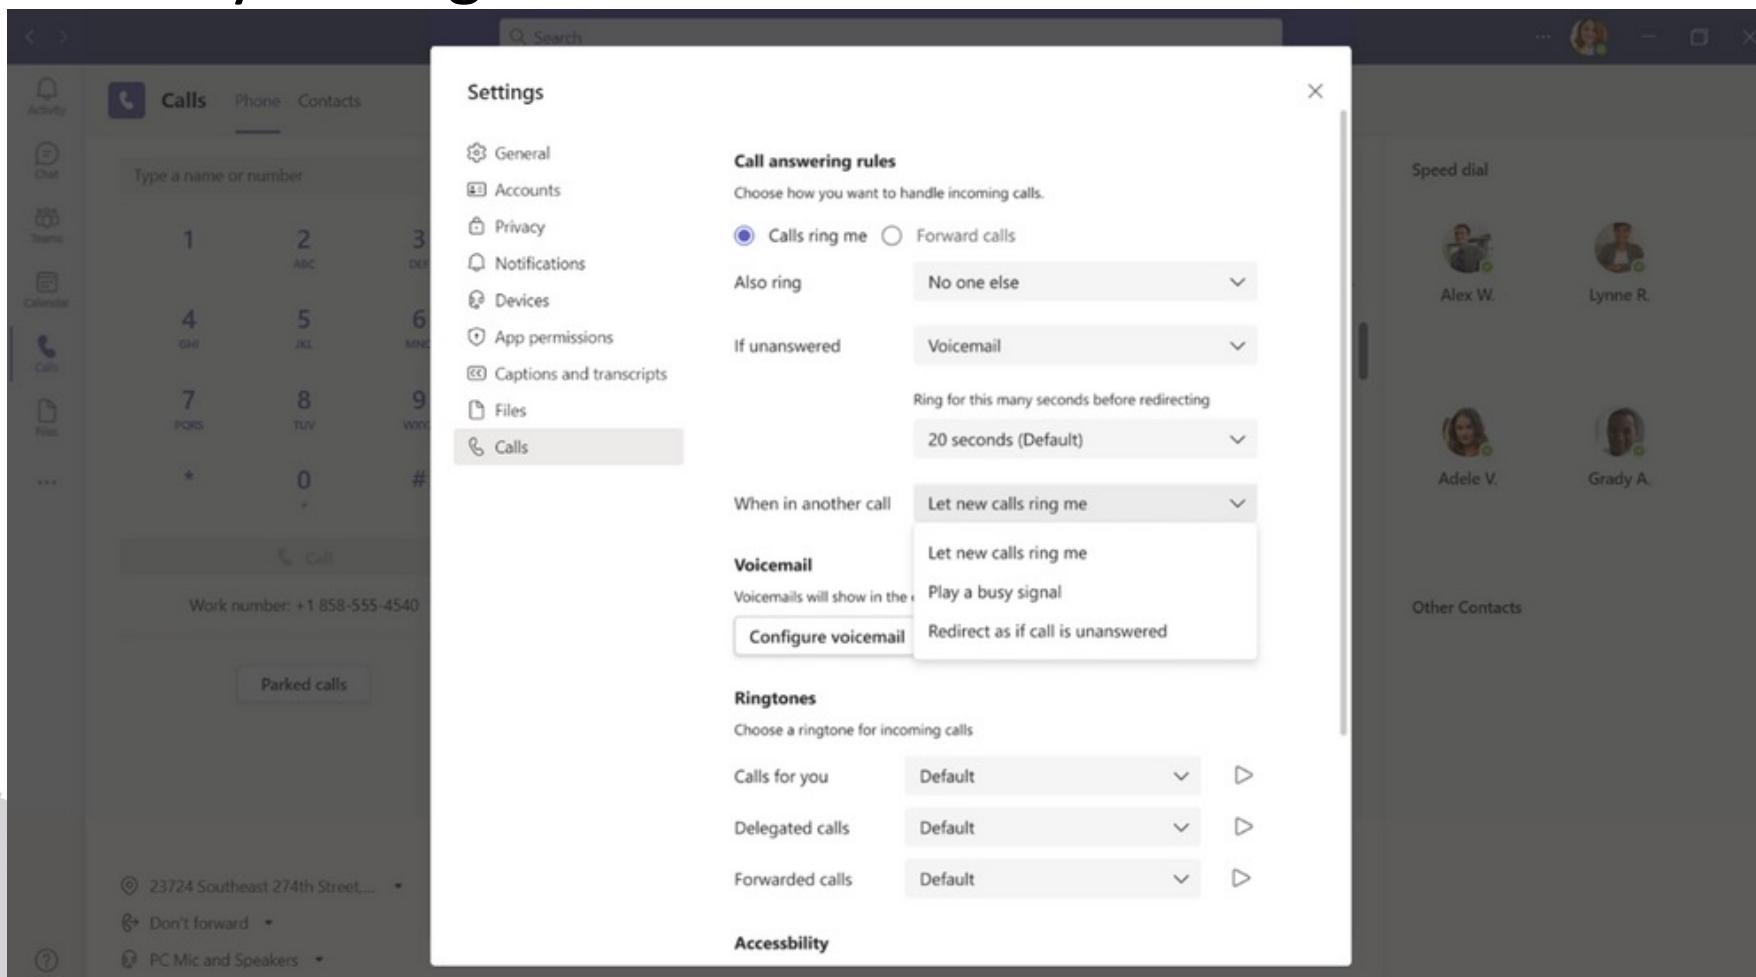

- Calls:** Shows a numeric keypad (1-9, \*, 0, #) and a search bar at the top.
- Shared lines:** Displays a list of shared lines with names like Alex Wilber, Adele Vance, Lynne Robbins, etc., along with their status (e.g., Supports you, Voicemail, Incoming, Outgoing).
- History:** Shows a list of recent calls with details like date, time, and message snippets.
- Speed dial:** Shows icons for contacts like Alex W. and Lynne R.
- Other Contacts:** Shows icons for Adele V. and Grady A.
- Current emergency location:** Shows the location as "62000 West 42nd Street, New York, NY". Options include "Edit", "Reset", "Don't forward", and "PC Mic and Speakers".

**Floating Windows (Calendar View):**

- Mon, Jan 14:** Shows a calendar with a red dot on January 2nd. A message box says "No location detected." with "Add location" buttons.
- Mon, Mar 20:** Shows a calendar with a red dot on March 2nd. A message box says "No location detected." with "Add location" buttons.
- Event Details:** Shows three event types: "Interview preparation" (8:00 AM - 9:00 PM), "One/Two Line Event Title" (8:00 AM - 9:00 PM), and "One Line Event Title" (8:00 AM - 9:00 PM). Each has a "Join" button.
- Add Location:** A form for adding a location with fields for Street number (700), Street name (Bellevue Way NE), City (Bellevue), State (WA), Zip Code (98008), and Country/Region (United States). Buttons for "CANCEL" and "SAVE" are at the bottom.

The image shows a web browser window with the URL <https://relastorealestate.com>. The page is titled "Relasto" and features a main heading "Find a perfect property Where you'll love to live". Below this, there's a subtext about helping businesses customize, automate, and scale up their ad production and delivery. There are three buttons: "Buy" (highlighted in black), "Sell", and "Rent". Below these are input fields for "City/Street", "Property Type", and "Price Range". At the bottom is a "Search" button. A Microsoft Teams video call interface is overlaid on the right side of the screen. It shows a large video of a woman named Megan Bowen smiling, and a smaller video of another person labeled "You". The Teams control bar at the bottom includes "Mute", "Turn off", "Present", "People", "Devices", and "Leave" buttons. An orange "Close" button is located in the bottom right corner of the video area.

Miriam Graham Tuesday 10:19 PM

Does the parts list include everything from the new vendors? It looked like a few things were missing.

Adele Vance Tuesday 10:20 PM

Good call out Miriam. I don't think those have been added yet. I'll talk to procurement and make sure they get added.

Megan Bowen Tuesday 10:22 PM

I made all the requested changes to the document. Let me know if you need anything else from me or my team.

The screenshot shows a Microsoft Teams meeting titled "Annual Team Meeting" at 14:11. On the left, a video player displays a slide from a presentation. The slide has a red border and contains the following text:

**THE YEAR IN REVIEW**

Celebrating our Accomplishments and Looking Ahead to the Future

**Contoso** emphasis on sustainability, social responsibility,

A video frame on the slide shows a woman in a yellow sweater wearing headphones, smiling, with a video conference on her screen.

Below the video player, there are navigation icons for back, forward, and search, along with a toolbar for file operations.

To the right of the video player, there is a "Notes" section containing two paragraphs of text:

The shift to remote work and e-commerce led to a boom in digital tools and services, as companies looked for new ways to reach customers and enhance their online presence.

In addition to technological advancements, businesses also placed greater emphasis on sustainability, social responsibility, and diversity, equity, and inclusion. This shift reflected not only a recognition of the importance of these issues, but also a recognition of their potential to drive growth and enhance reputation.

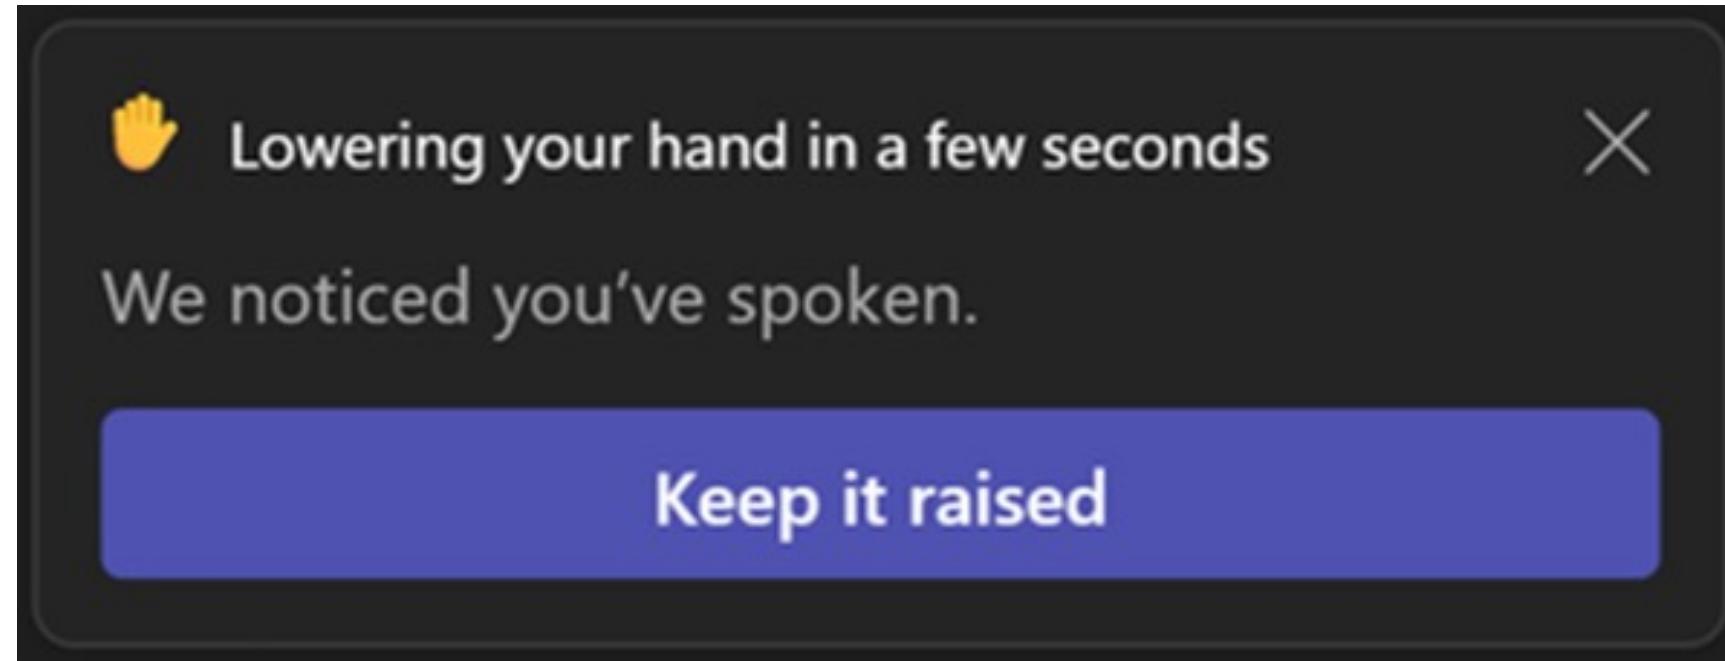

On the far right, a sidebar shows a grid of participant profiles with names: Serena Davis, Aad Kapoor, Charlotte de Crum, Beth Davies, MJ Price, Kayo Miwa, Darren Mouton, and Babak Shammas. A "Leave" button is visible in the top right corner of the Teams interface.

The slide contains text about VanArsdel's sales in 2019 and product margins. At the bottom of the slide, there are five video thumbnails of participants: Edwin S., Serena D., Danielle B., Babek S., and a group of people. On the right, a "Chat" sidebar shows a conversation between Charlotte de Crum, Joshua Vanburen, Babek Shamas, and Charlotte de Crum again, discussing design changes and client syncs.

**Sales Analysis**

# Performance &

In 2019, VanArsdel's worldwide sales topped \$355M. Of that, 36.7% was from the sales of electronics. In that category, 42.5% of VanArsdel sales were of Fabrikam products due to VanArsdel's exclusive contract with Fabrikam.

VanArsdel saw product margin from Fabrikam-produced products that was 175% higher than sales of similar products manufactured by other brands.

Client had some changes to our design for the July promotional splash page. Could you make those edits before our Wednesday client sync?

Charlotte de Crum Out today for family time! @Cortana, Send me any follow up items.

Joshua Vanburen Can you guys please send me the options that we are proposing to the client tomorrow?

Babek Shamas Daniela, Daichi mentioned that the client had some changes to our design for the July promotional splash page. Could you make those edits before our Wednesday client sync?

Charlotte de Crum 11:23 AM Did we make the updates to slide 4-6 we talked about in our meeting earlier? I thought we were removing option 1 in favor of recommending option 2 and 5.

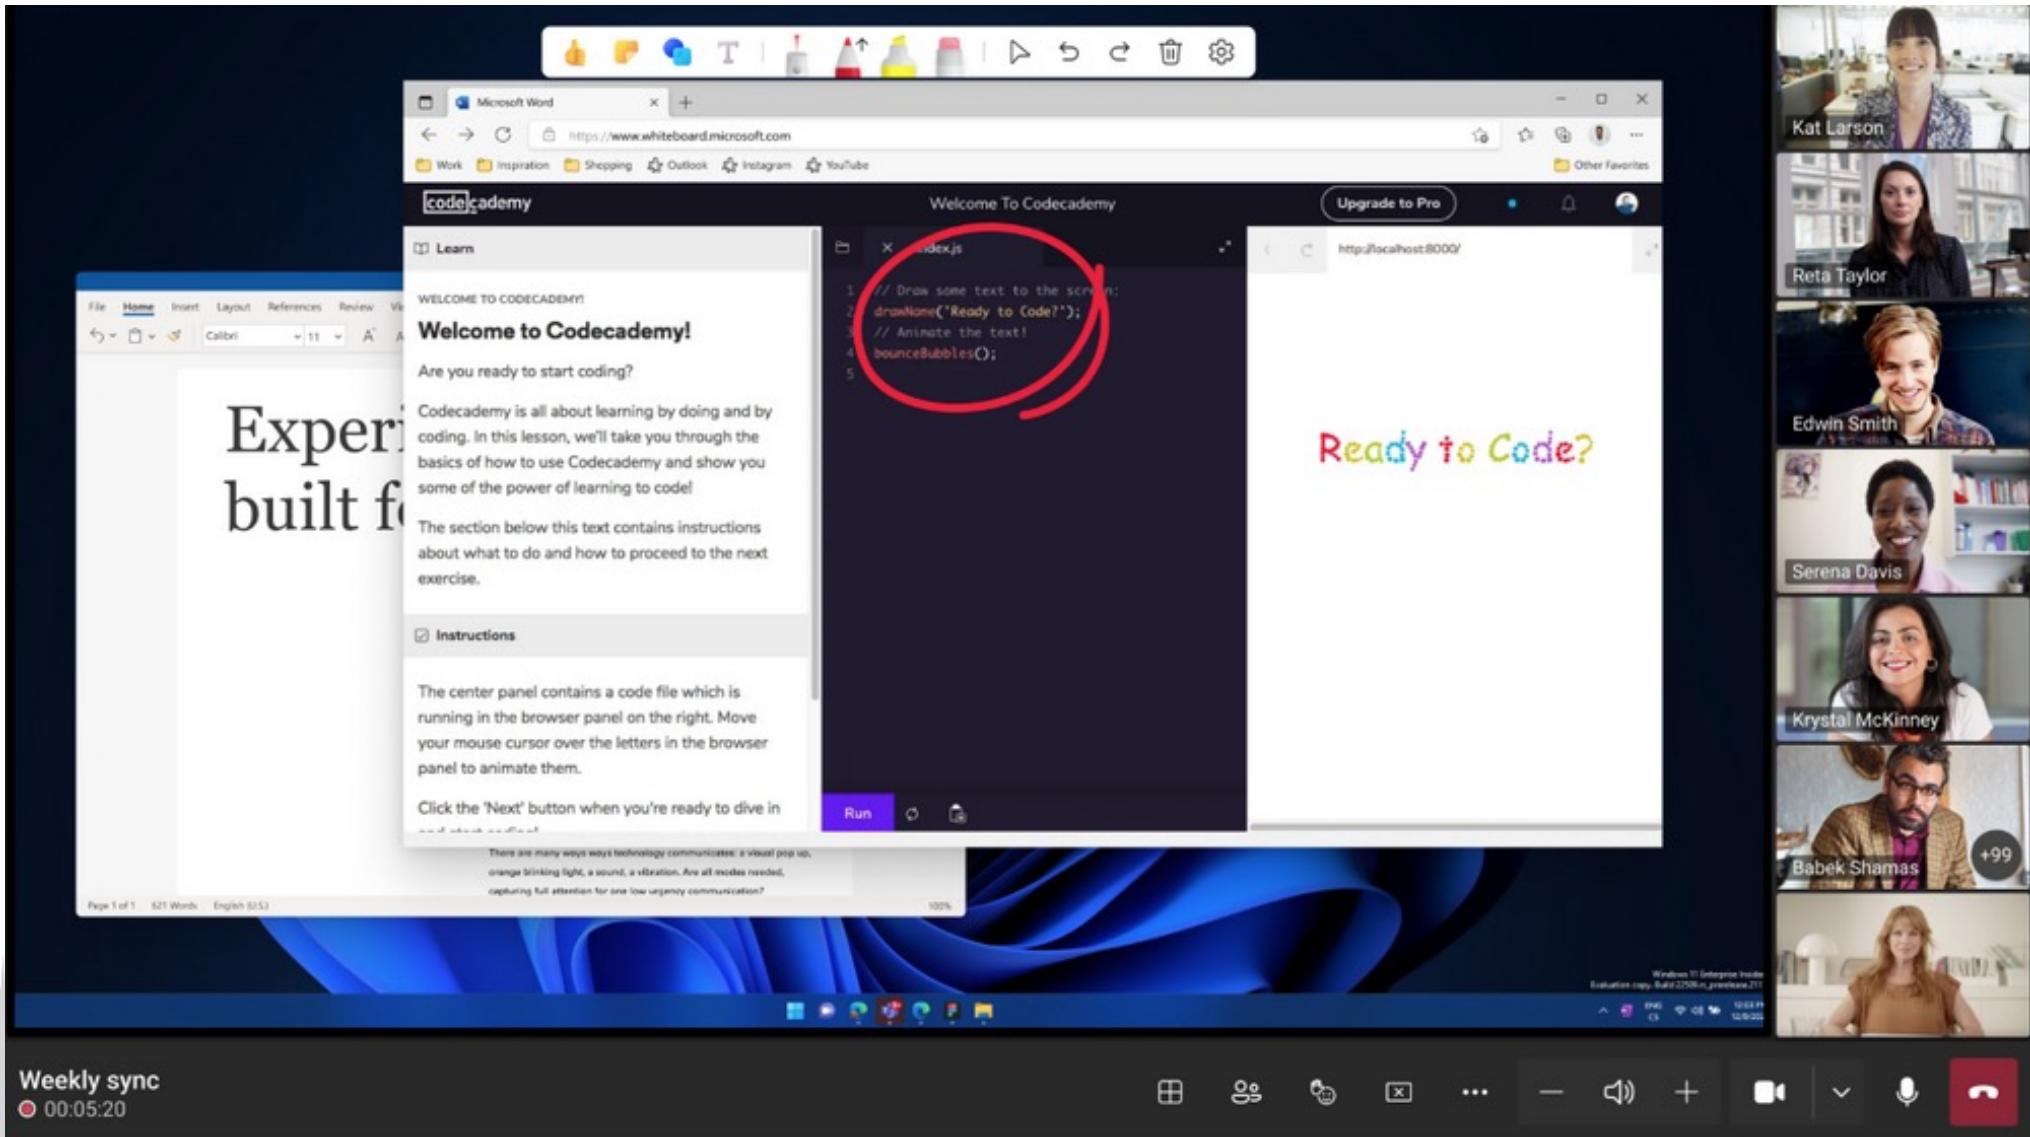

Babek Shamas 11:23 AM Thank you so much for taking care of that! Let me know when the revisions have been made and I'll review the powerpoint deck.
