Teams Performance Updates

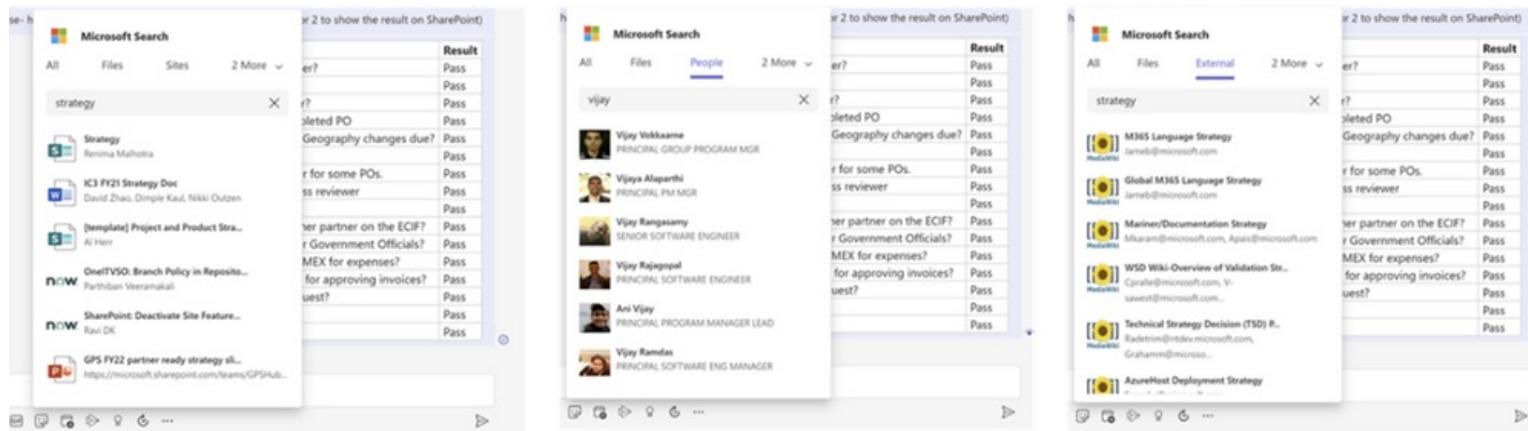

MÜNCHEN

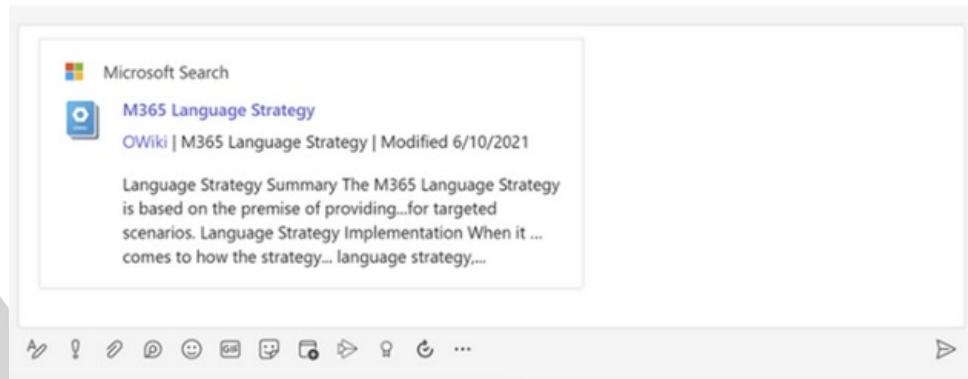

Teams Performance Updates

- Search results page in Teams

(1) I can search content across files, people, internal site and some external content (NB: external content is not bringing in Bing related search results)

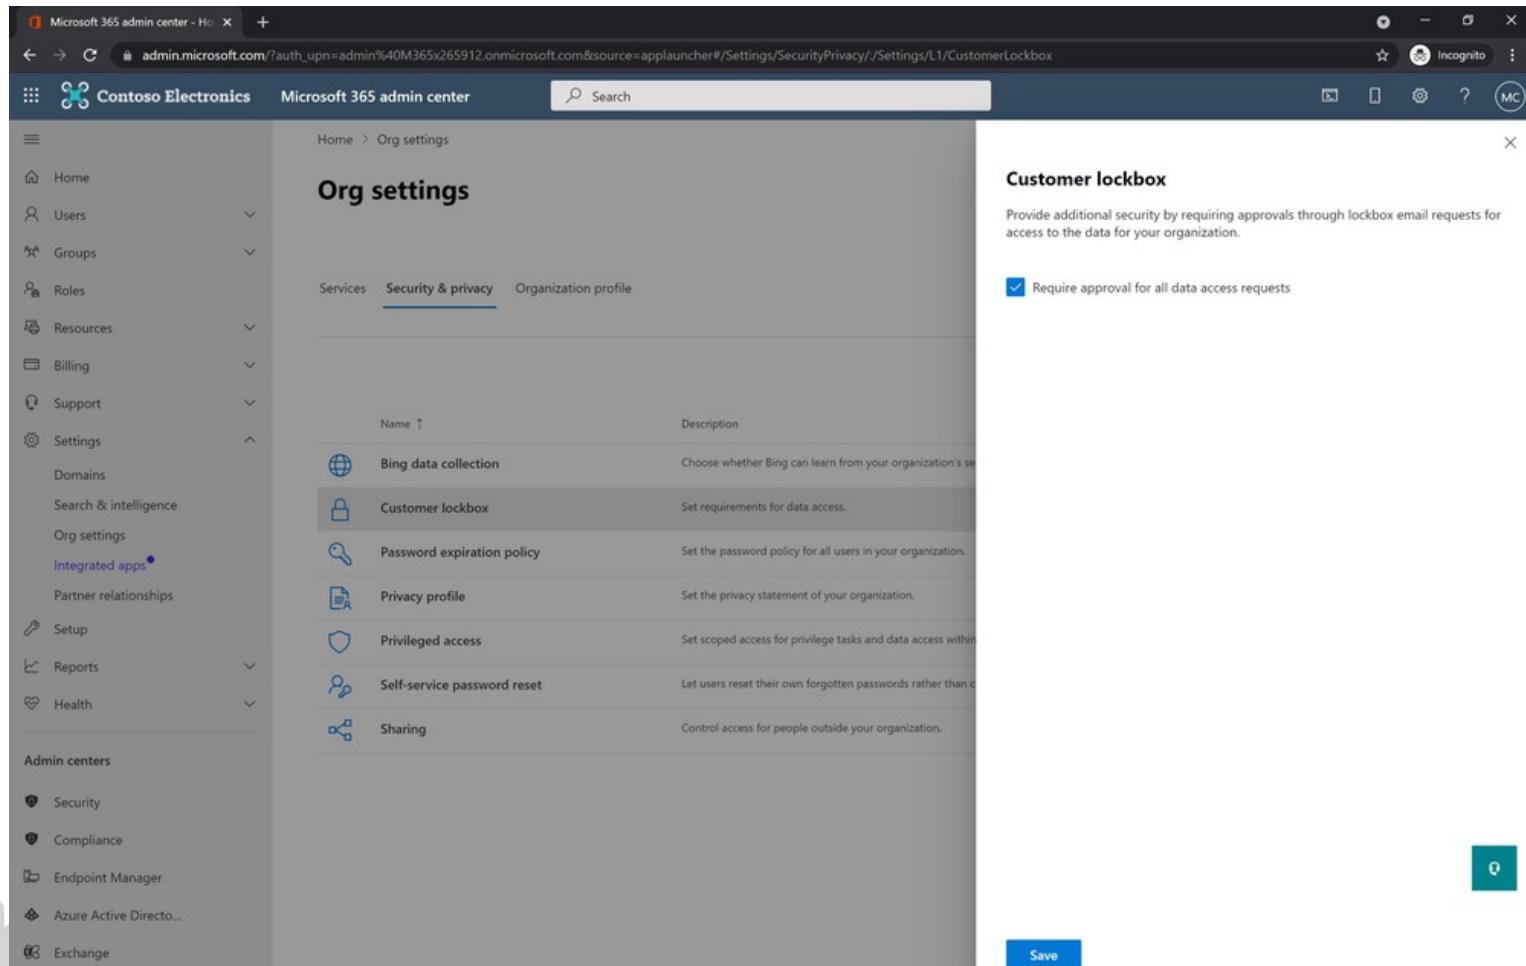

(2) Once I select the content to share, I click on it and a card (search result) gets populated in the compose section of Teams

Teams Performance Updates

- Customer Lockbox for Microsoft Teams

The screenshot shows the Microsoft 365 admin center interface. On the left, there's a navigation sidebar with various categories like Home, Users, Groups, Roles, Resources, Billing, Support, Settings, Reports, and Health. Under Admin centers, Security, Compliance, Endpoint Manager, Azure Active Directo..., and Exchange are listed. The main content area is titled 'Org settings' and has tabs for Services, Security & privacy (which is selected), and Organization profile. Below these tabs is a table with columns for Name and Description. The table rows include: Bing data collection (Choose whether Bing can learn from your organization's se...), Customer lockbox (Set requirements for data access.), Password expiration policy (Set the password policy for all users in your organization.), Privacy profile (Set the privacy statement of your organization.), Privileged access (Set scoped access for privilege tasks and data access within your organization.), Self-service password reset (Let users reset their own forgotten passwords rather than c...), and Sharing (Control access for people outside your organization.). To the right of the table, a modal window titled 'Customer lockbox' is displayed. It contains the text: 'Provide additional security by requiring approvals through lockbox email requests for access to the data for your organization.' Below this text is a checkbox labeled 'Require approval for all data access requests' which is checked. At the bottom right of the modal is a blue 'Save' button.

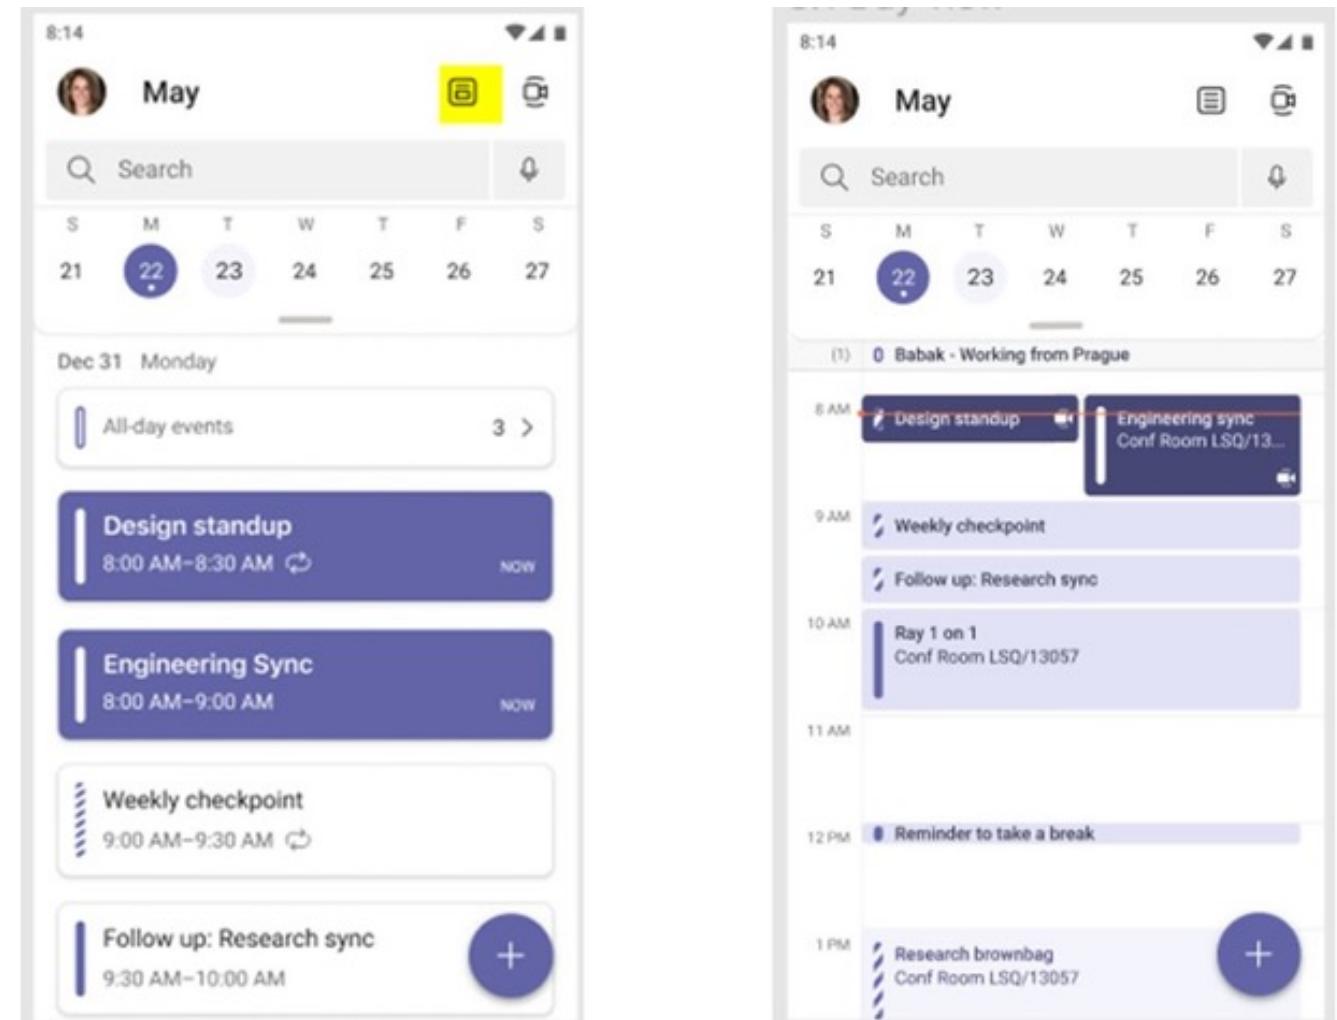

Meetings

Meetings

- Automated webinar invite
- Domain customization for webinar communications
- Day view in calendar on iOS and Android

Meeting recordings expiration

Meeting recordings are automatically deleted after a certain time. But you can extend the expiration date by using the info button.

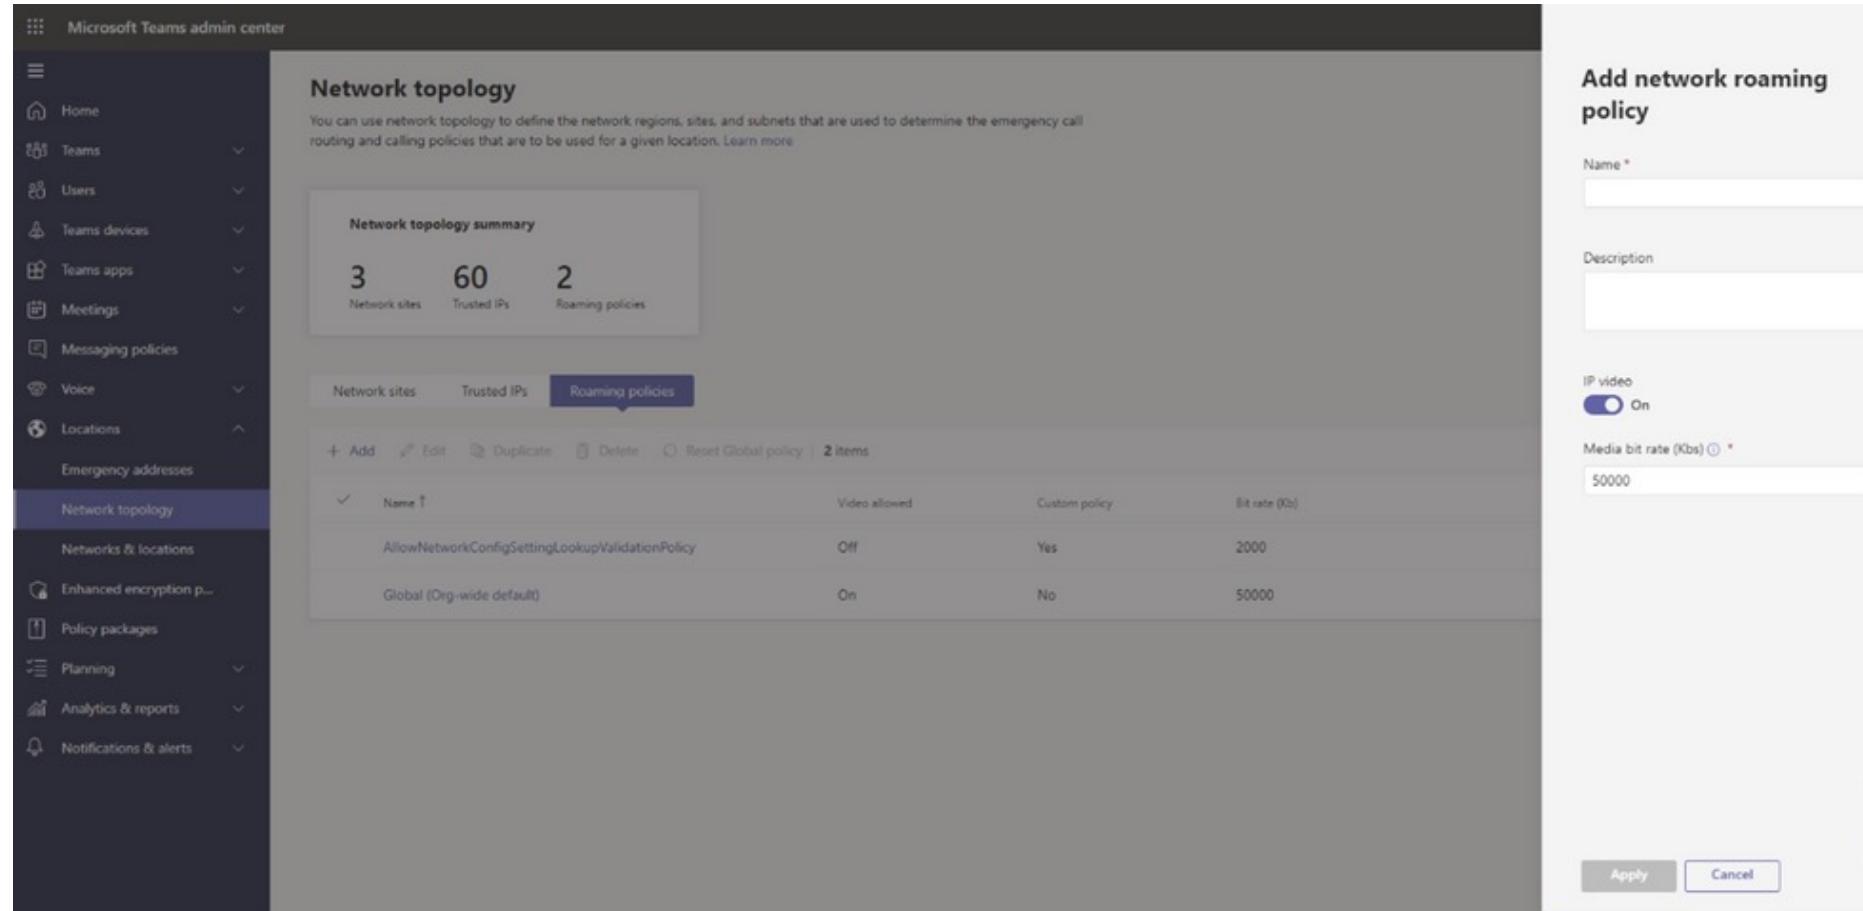

Calling

MÜNCHEN

Calling

- Roaming bandwidth control
- Music on Hold for VoIP Calls

The screenshot shows the Microsoft Teams admin center interface. On the left, the navigation menu includes Home, Teams, Users, Teams devices, Teams apps, Meetings, Messaging policies, Voice, Locations, Emergency addresses, Network topology (which is selected and highlighted in purple), Networks & locations, Enhanced encryption p..., Policy packages, Planning, Analytics & reports, and Notifications & alerts. The main content area is titled "Network topology" with a sub-section "Network topology summary" showing 3 Network sites, 60 Trusted IPs, and 2 Roaming policies. Below this, there are tabs for "Network sites", "Trusted IPs", and "Roaming policies" (which is currently selected). A table lists two roaming policies:

Name	Video allowed	Custom policy	Bit rate (Kbs)
AllowNetworkConfigSettingLookupValidationPolicy	Off	Yes	2000
Global (Org-wide default)	On	No	50000

To the right, a modal window titled "Add network roaming policy" is open, allowing configuration of a new policy. It includes fields for "Name *", "Description", "IP video" (set to "On"), "Media bit rate (Kbs)" (set to "50000"), and "Apply" and "Cancel" buttons.

- New Power Automate entry point in-Teams
 - Start building Power Automate flow from a template from message extensions and message actions
- Tab actions are moving

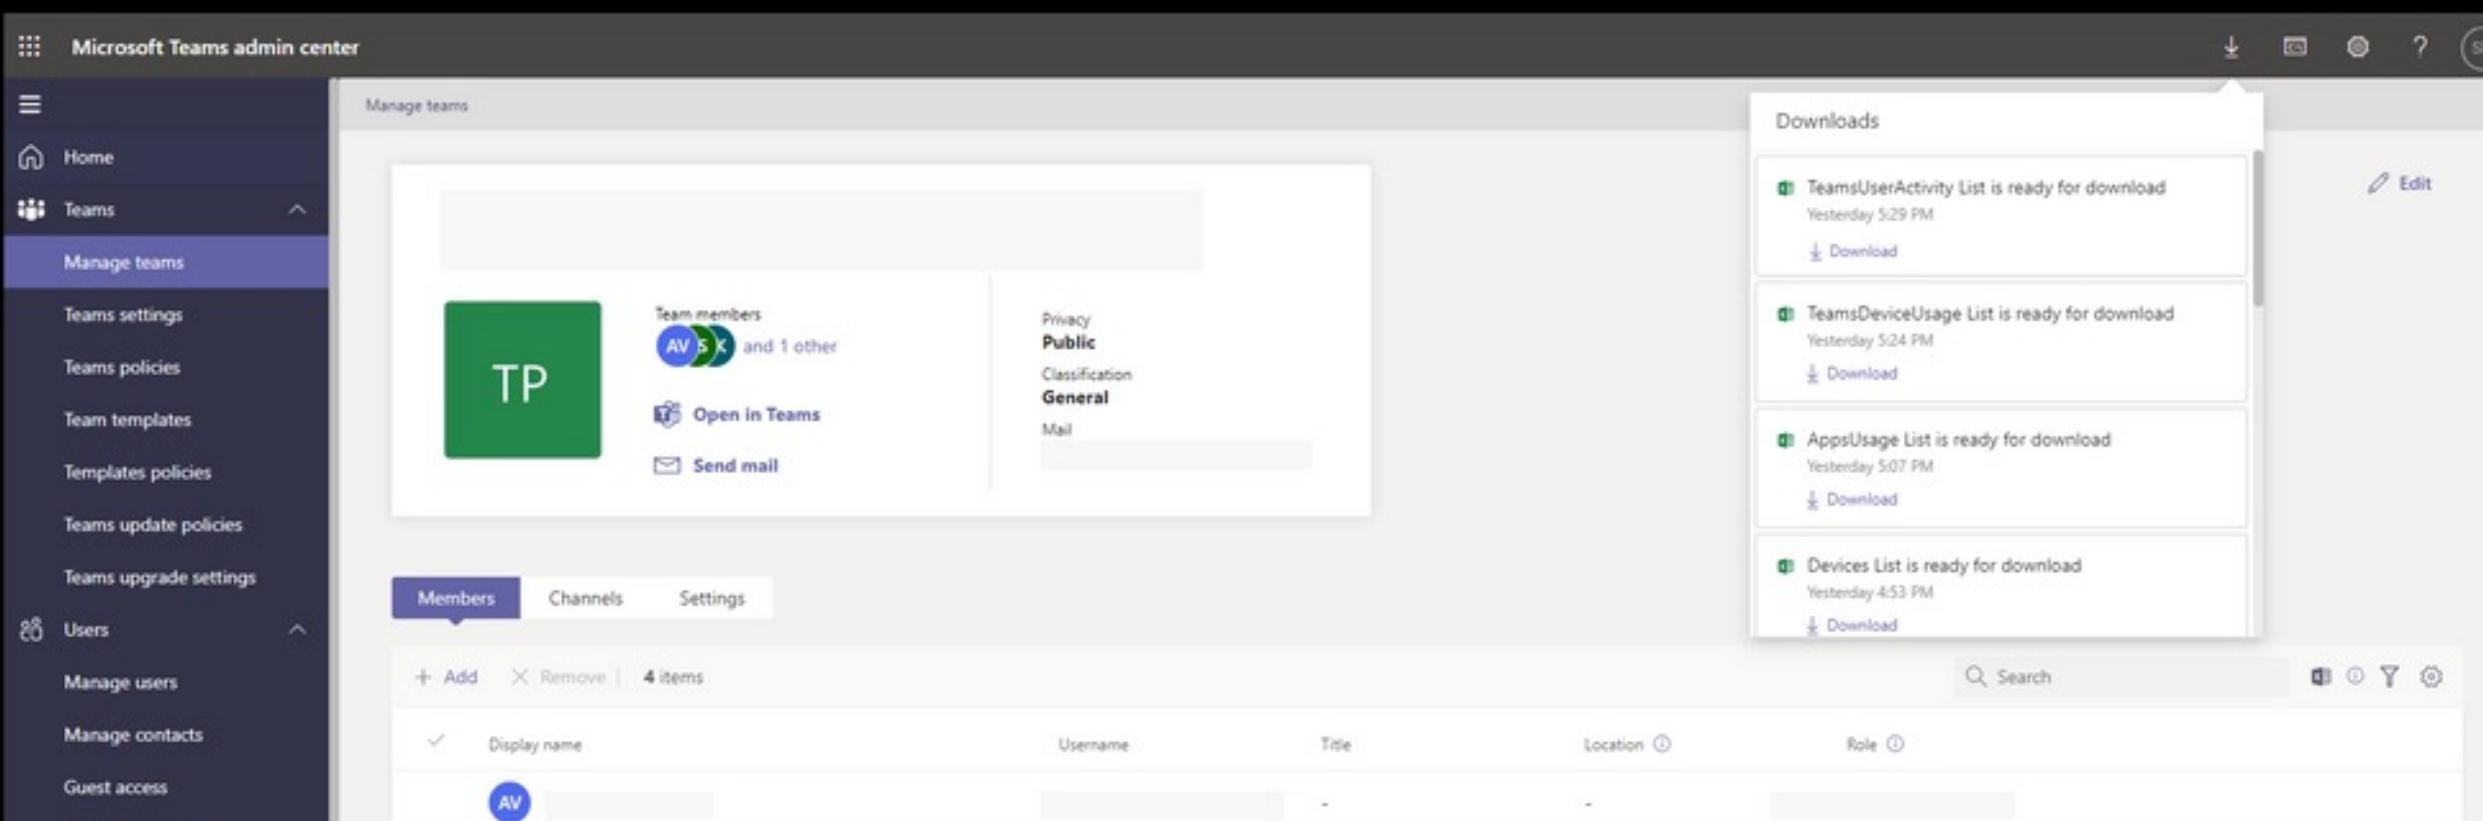

Management

Management

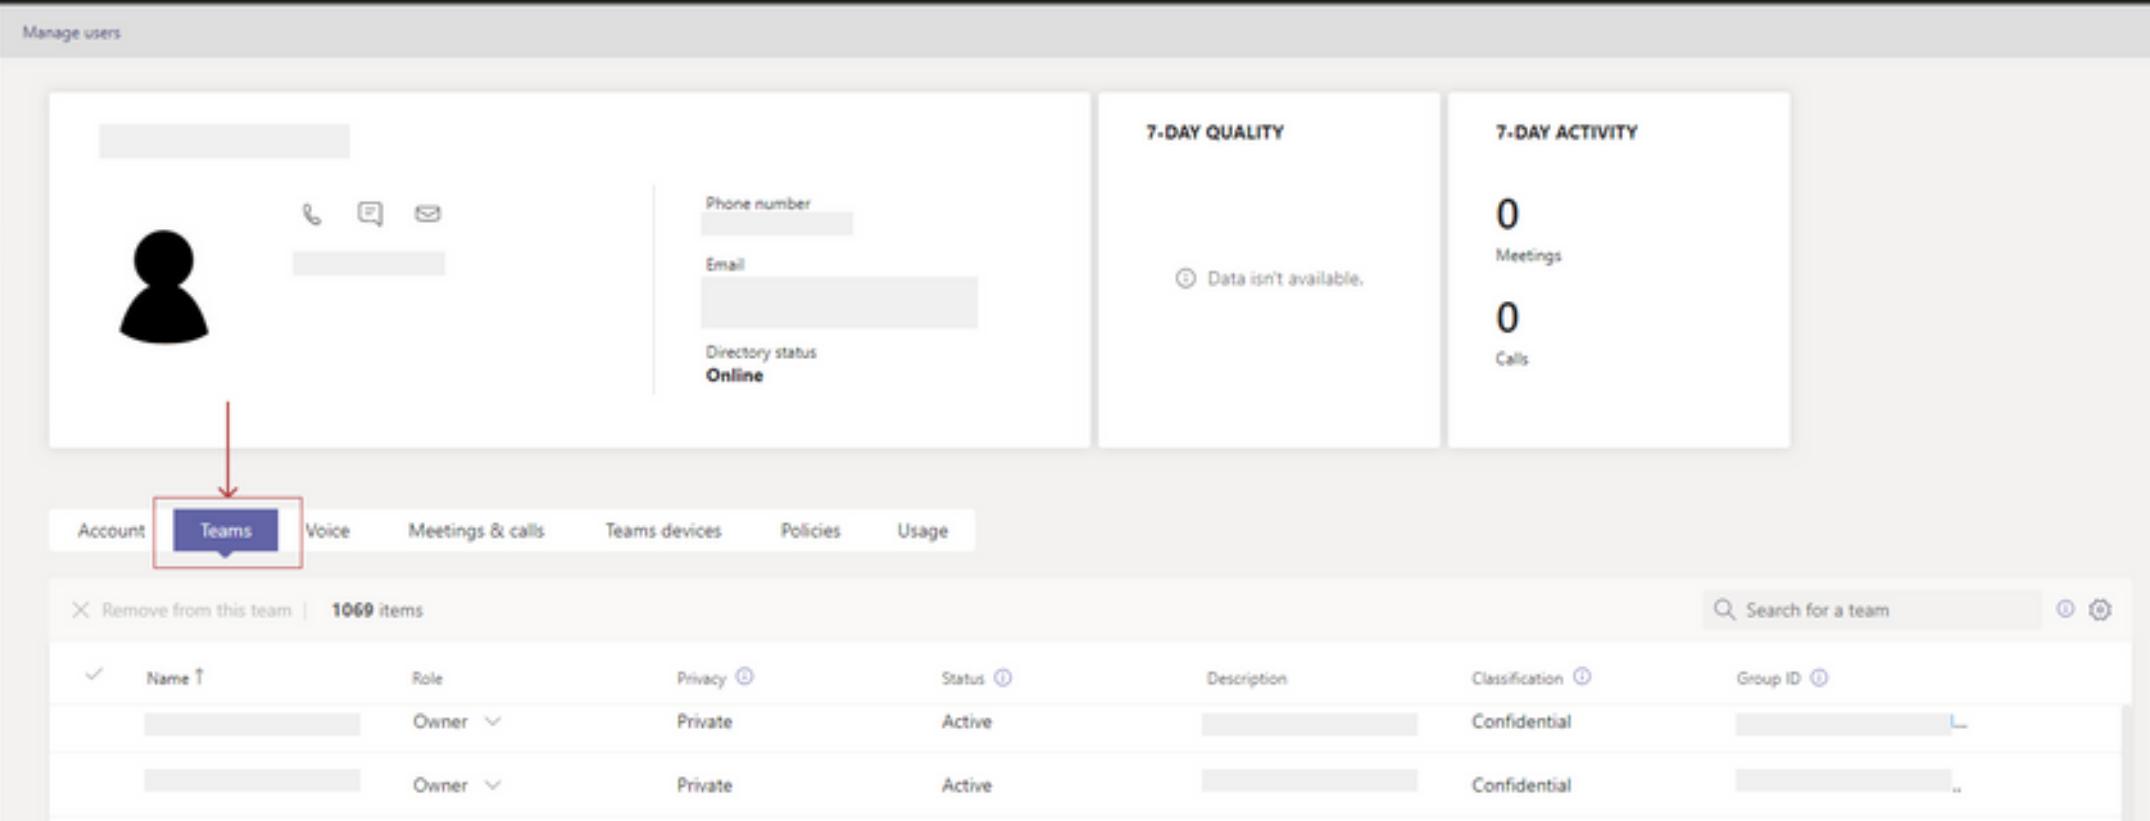

- Team Search on Teams admin center – phase 1
- Export Teams list from Teams Admin Center

The screenshot shows the Microsoft Teams Admin Center interface. On the left, there's a navigation sidebar with options like Home, Teams, Manage teams, Teams settings, Policies, Templates, and Users. The 'Manage teams' option is currently selected. The main area displays a team card for 'TP' with a green background. It shows 'Team members' (AV, S, X) and '1 other'. There are buttons for 'Open in Teams' and 'Send mail'. To the right of the card, there are sections for 'Privacy' (set to 'Public'), 'Classification' (set to 'General'), and 'Mail'. Below the card, there are tabs for 'Members' (selected), 'Channels', and 'Settings'. Under the 'Members' tab, there's a table with columns for 'Display name', 'Username', 'Title', 'Location', and 'Role'. At the top of the page, there's a 'Downloads' menu with four items: 'TeamsUserActivity List is ready for download' (Yesterday 5:29 PM), 'TeamsDeviceUsage List is ready for download' (Yesterday 5:24 PM), 'AppsUsage List is ready for download' (Yesterday 5:07 PM), and 'Devices List is ready for download' (Yesterday 4:53 PM). Each item has a 'Download' button.

Management

- Virtual visits usage report in TAC
- List of joined teams per user in TAC

The screenshot shows the Microsoft Teams 'Manage users' page. On the left, a sidebar menu includes 'Home', 'Teams', 'Users' (selected), 'Manage users' (highlighted in purple), 'Manage contacts', 'Guest access', 'External access', 'Teams devices', 'Teams apps', 'Meetings', 'Messaging policies', 'Voice', 'Locations', and 'Enhanced encryption p...'. The main area displays a user profile with a black silhouette icon, phone number, email, and directory status (Online). To the right are two cards: '7-DAY QUALITY' (Data isn't available) and '7-DAY ACTIVITY' (0 Meetings, 0 Calls). Below the profile is a navigation bar with tabs: Account (selected), Teams (highlighted with a red box and arrow), Voice, Meetings & calls, Teams devices, Policies, and Usage. A table below lists 'Remove from this team | 1069 items' with columns: Name (sorted by name), Role, Privacy, Status, Description, Classification, and Group ID. Two rows are visible, both showing 'Owner' as the role, 'Private' as privacy, and 'Active' as status.

Name ↑	Role	Privacy	Status	Description	Classification	Group ID
[Redacted]	Owner	Private	Active	[Redacted]	Confidential	[Redacted]
[Redacted]	Owner	Private	Active	[Redacted]	Confidential	[Redacted]

Frontline Workers

MÜNCHEN

Frontline Workers

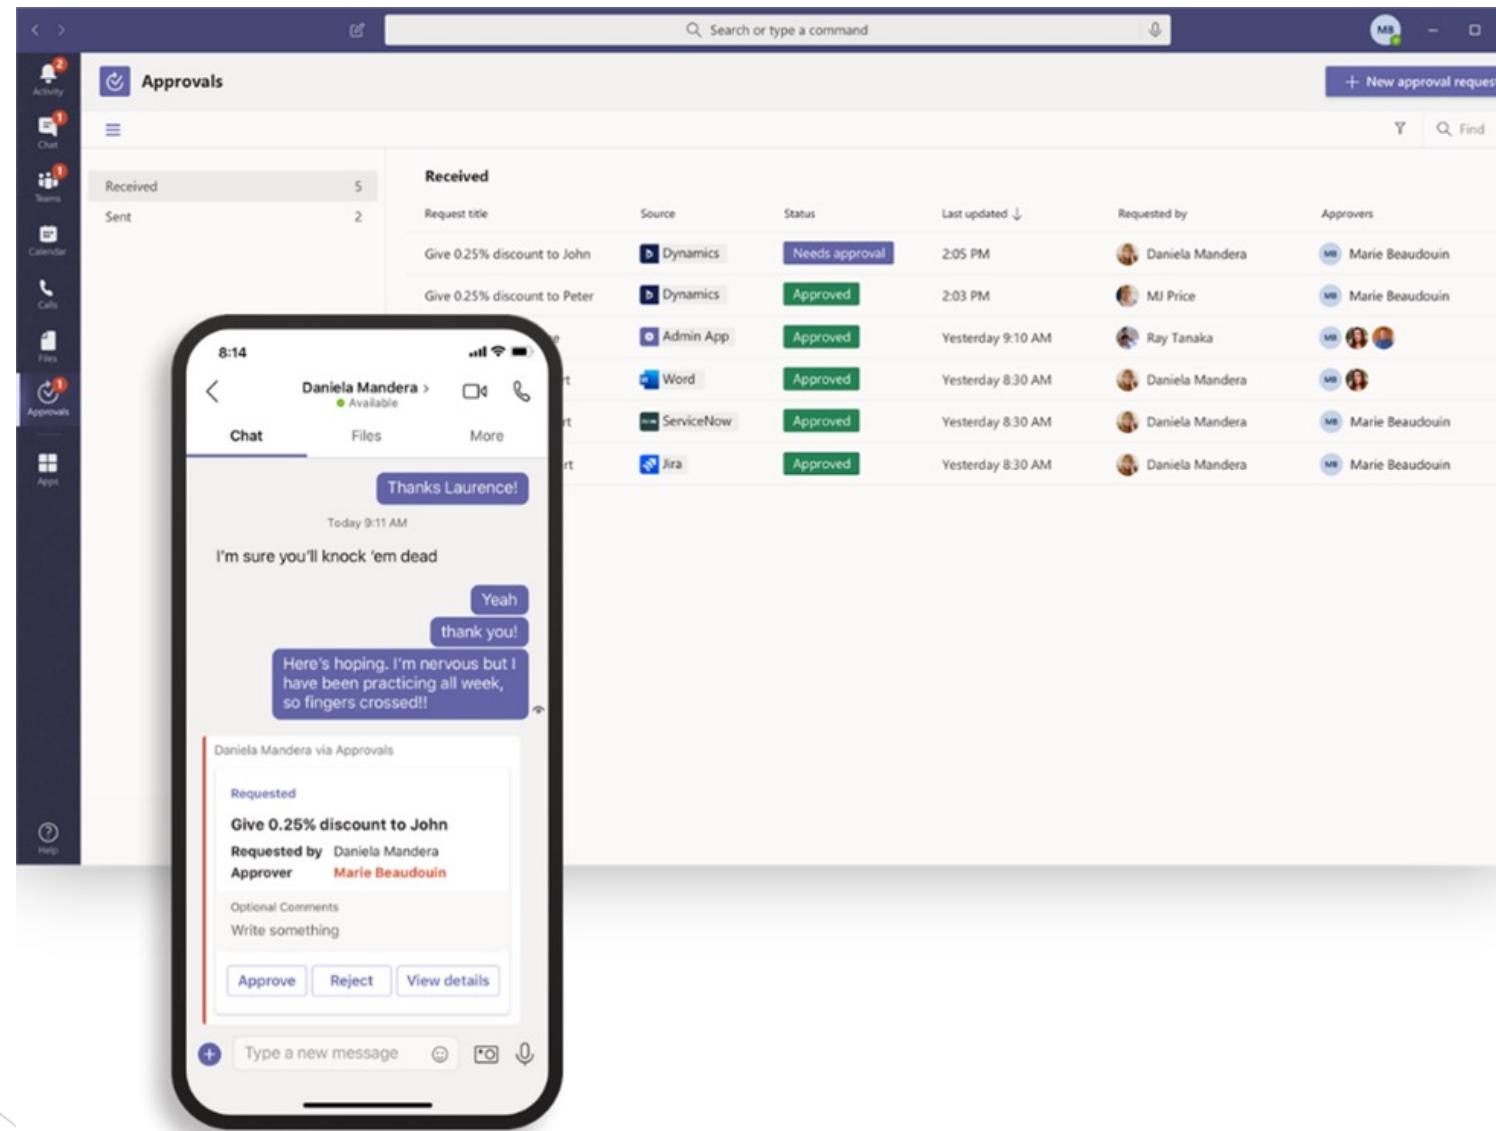

- Task publishing editing

The image shows two screens demonstrating task publishing and assignment. On the left, a desktop screenshot of the Microsoft Teams Tasks interface is displayed. A modal window titled "Select who to publish to" is open, showing a list of teams under the "Teams" tab. The "North America" team is selected, with sub-options for "East Coast", "Midwest", "South", and "West Coast". The "Filters" section on the left includes "Shape" (high street, large, outlet) and "Features" (Cafe, Restaurant, Drive-thru). The main list shows tasks like "December Week 1202" and "November Week 1125". On the right, a mobile phone screen shows a list of tasks assigned to the user, categorized by priority: Urgent, Medium, and Low. Examples of tasks include "Print and share *sustainable, huma..." and "Update hero display for focus on ne...".
