# On-demand recording

The screenshot shows the Microsoft Teams interface for managing on-demand recordings. The title bar reads "VanArsdel 3D: from Metal to Plastic" and "Ended". The main content area displays a recording titled "Recording.mp4" which is currently "NOT PUBLISHED". There are two buttons: "Publish" and "Download". The "Publish" button is highlighted with a red circle and a cursor is hovering over it. To the right of the recording details is a thumbnail image of the video content, showing a group of people in a meeting and a slide with the text "Performance & 48m 42s". The left sidebar contains navigation links for "Setup" (Details, Presenter bios, Sponsors, Theming), "Registration" (Configuration, Attendee status, Communications, Reports), and "Recordings". The "Recordings" link is currently selected and highlighted with a blue border.

The screenshot shows the Microsoft Teams Admin Center interface. On the left, the navigation menu includes options like Dashboard, Teams, Users, Teams devices, Teams apps, Manage apps (selected), Permission policies, Setup policies, Customize store, Meetings, Messaging policies, Voice, Locations, and Enhanced encryption. The main area displays the "Manage apps" page with sections for Pending approval (0 submitted, 0 updated custom apps) and a Featured app (Breakthru). Below these are tabs for All apps and All subscriptions, with a "Browse by" dropdown set to "Everything". A table lists 2010 items, with columns for Name, Certification, and Publisher. The first two items listed are "1-on-1 Hub" (Appfluence Inc) and "1-to-1 Worldvds Comm" (Amplitudenet LDA). A modal dialog titled "Manage selected apps" is open on the right, explaining that apps selected here will be automatically installed for users who log in with Azure AD credentials. It also states that users blocked from using the app won't have it installed. The dialog lists several apps with their status (On/Off): Adobe Acrobat (On), Adobe Acrobat Sign (On), Asana (On), DocuSign eSignature (On), Figma (On), Lucidchart (On), Miro (On), and Mural (On).

# Collaborative app updates

- Limeade Well-Being

The screenshot shows the Limeade Well-Being app integrated into a Microsoft Teams environment. At the top, there's a header with the Limeade Well-Being logo, a navigation bar (Home, Discover, Achievements, Activity, About), and a progress bar indicating 'Level 2 in progress' with a completion status of 1515/2500 pts. A 'Virtual Limeade Swag Kit' is shown with a count of 2. Below the header, there's a search bar and a filter section for activity types. The main area displays a grid of activities under the heading 'Activities you are tracking'. Each activity card includes a thumbnail image, a title, a progress bar, and a 'Track' button. The activities listed are:

- My Choice: Stressed? Exercise to Release Tension (0 of 2 times / weekly). Includes a sub-task 'Exercise When Stressed'.
- My Choice: Work on Professional Development Together (0 of 100 hours). Includes a sub-task 'Collectively Track Professional Development T...'.
- My Choice: Commute with Others to Work (15 of 12). Includes a sub-task 'Collectively Track Shared Commutes'.
- My Choice: Share Healthy Treats at Work (7 of 4). Includes a sub-task 'Collectively Track Times You Brought Healthy ...'.

At the bottom left, there's a small 'MÜNCHEN' icon with a city skyline silhouette. On the right side, there's a 'Help' button.
