# Meetings

# Spatial Audio in Teams Meetings

The screenshot shows the Microsoft Teams meeting interface with a focus on audio settings. On the left, a dark overlay displays a camera icon and the message "Your camera is turned off". Below this are controls for "Effects and avatars" and a gear icon for settings. The main video area is blacked out. On the right, a "Device settings" sidebar is open, titled "Marketing Announcement". It contains sections for "Computer audio", "Internal Mic and Speakers", "Phone audio", "Room audio", and "Don't use audio". Under "Computer audio", there are dropdown menus for "Speaker" (set to "MacBook Pro Speakers (Built...)" and "Microphone" (set to "MacBook Pro Microphone"). A large blue toggle switch labeled "Spatial audio" is turned on, with the description "More natural, immersive sound." below it. At the bottom, "Noise suppression" is set to "Low". The "Device settings" sidebar has a close button "X" in the top right corner.

# Spatial Audio in Teams Meetings

# Spatial Audio in Teams Meetings

The screenshot shows the Microsoft Teams settings interface for a meeting. The main window displays a list of messages from various users. A modal dialog box is open over the messages, titled "Meeting Properties". The "Devices" tab is selected in the left sidebar of the dialog. Under the "Audio devices" section, the microphone and speaker dropdowns are set to "Internal Mic and Speakers" and "MacBook Pro Speakers (Built-in)" respectively. The "Spatial audio" toggle switch is turned off. Below it, a tooltip explains: "More immersive sound in meetings. Available with gallery view. Learn more". The "Automatically adjust mic sensitivity" toggle switch is turned on. A "Make a test call" button is present. In the "Noise suppression" section, a tooltip says: "Choose Low if you want others to hear music. Learn more." The dropdown menu is set to "Auto (Default)". The background of the dialog shows a blurred view of the team meeting interface.

# Customize captions in Teams meetings

The screenshot shows a Microsoft Teams meeting interface. At the top, there's a navigation bar with icons for Chat, People, Raise, React, View, Rooms, Apps, More, Camera, Mic, Share, and a red 'Leave' button. The main video feed on the left shows a woman named Serena Davis smiling, wearing a pink shirt. In the center, another participant named Aadi Kapoor is visible. On the right, there are three other participants: Beth Davies, Kadji Bell, and Babak Shammam. A dropdown menu is open over the video feed, listing various languages for captions: English (US) (selected), Arabic, Chinese (Simplified, China), Chinese (Traditional, Hong Kong SAR), Chinese (Traditional, Taiwan), Czech, Danish, Spoken language: English (US), Caption language: English (US), and Caption settings. The bottom of the screen shows a transcript of the meeting.

# Marks all as read in your activity feed

The screenshot shows the Microsoft Teams Activity feed interface. On the left, there's a sidebar with icons for Activity, Chat (with 1 unread message), Teams, Calendar, Calls, Files, and Apps. The main area is titled "Activity" and shows a list of notifications:

- Krystal mentioned Tailspin Toys (3:08 PM) - Our meeting from last week was ext... Tailspin Toys > Marketing

In the top right, there's a search bar and a user profile for Aaron Buxton. A context menu is open over the first notification, with options: "Mark all as read" (which is highlighted in blue), "Unread only", and "Notification settings". The main chat area shows a conversation between Aaron Buxton and Daniela:

Aaron Buxton 10:55 AM: Hey **Daniela**, Krystal is looking for us to share an update with the client on Friday... 

Daniela: I wasn't sure if you were feeling ready yet? I know there was a lot of feedback coming out of last week's review

Aaron Buxton 11:00 AM: Don't worry, the team should be ready by then. I'm confident this next review will go well given that the last review was mostly minor solve-able details. The team has been pretty awesome and jamming.

Aaron Buxton 11:05 AM: The client wasn't expecting us to be ready until middle of October

Aaron Buxton: Thank you for always being so positive!

Aaron Buxton: I will let Krystal know

Aaron Buxton: Here is the latest spec doc we reviewed with the engineers this morning: New Feature Spec.docx

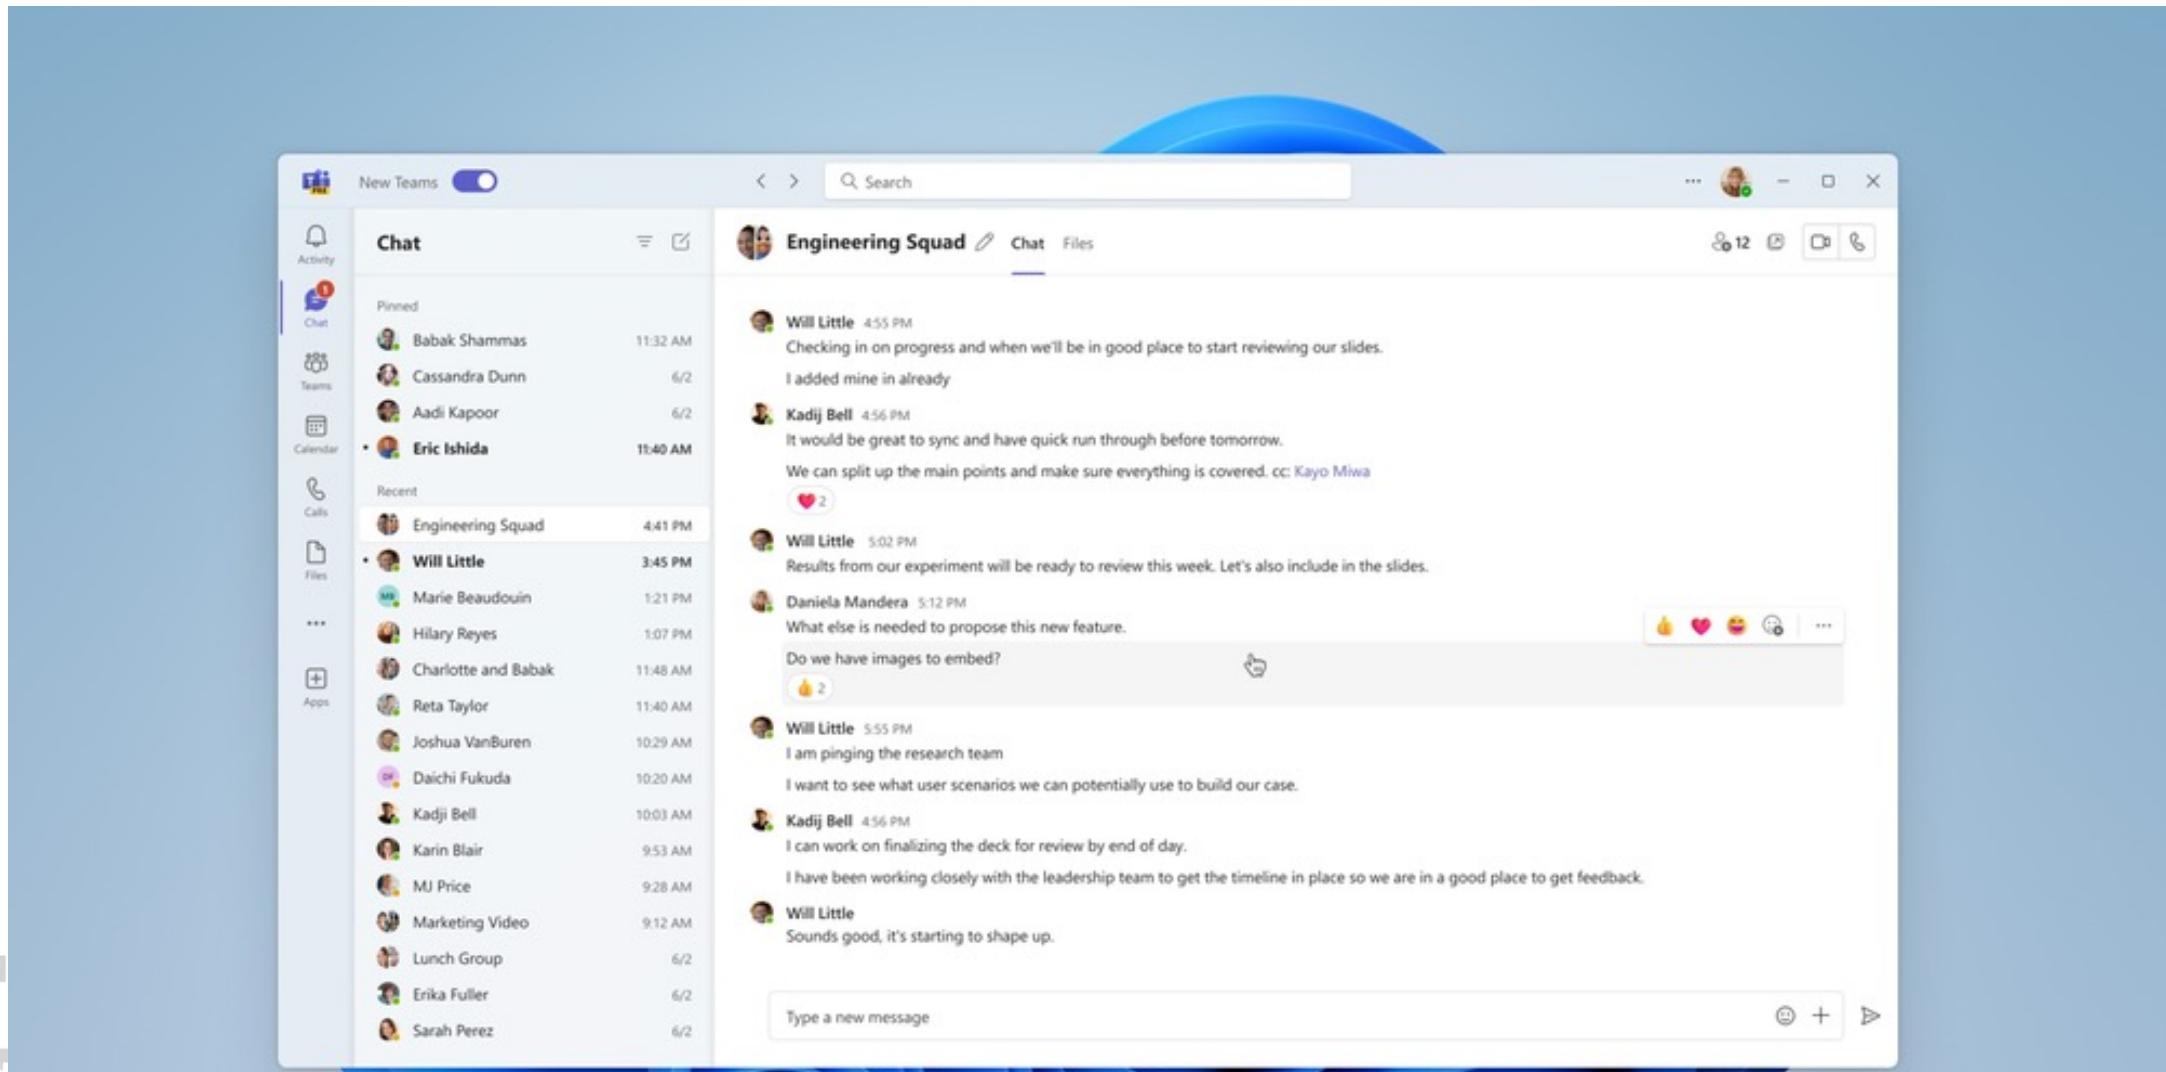

Aaron Buxton:  New feature spec Personal > MarieBeaudouin

Aaron Buxton: ...

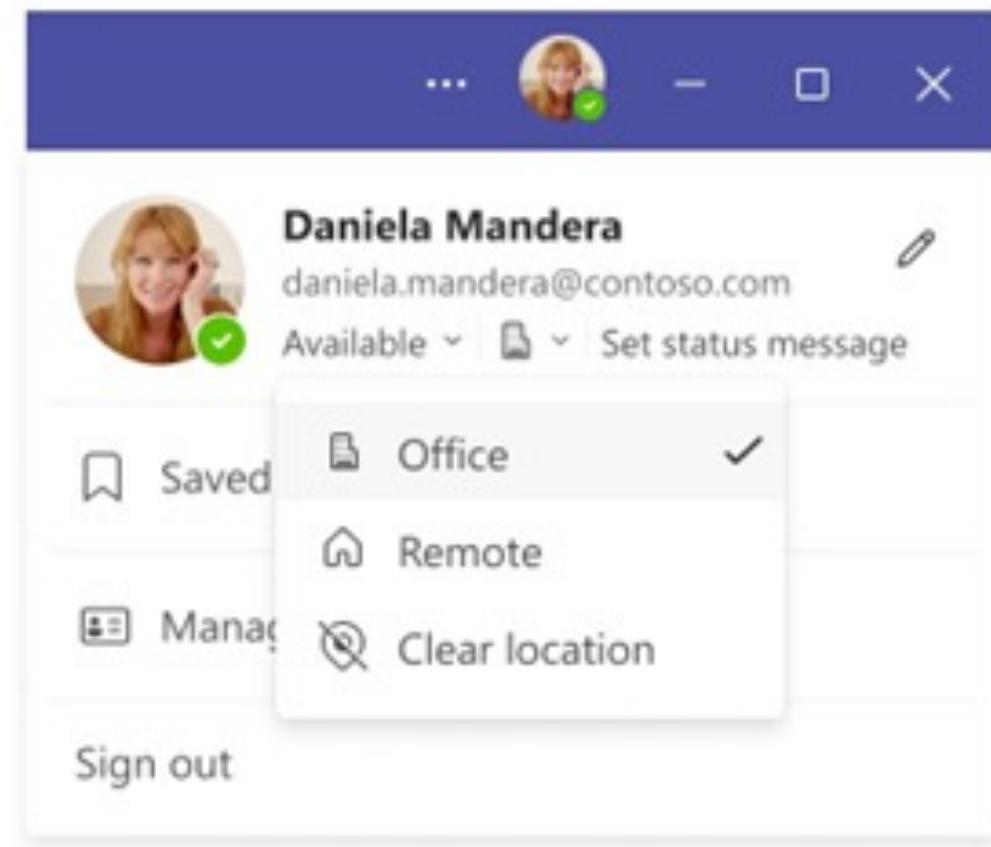

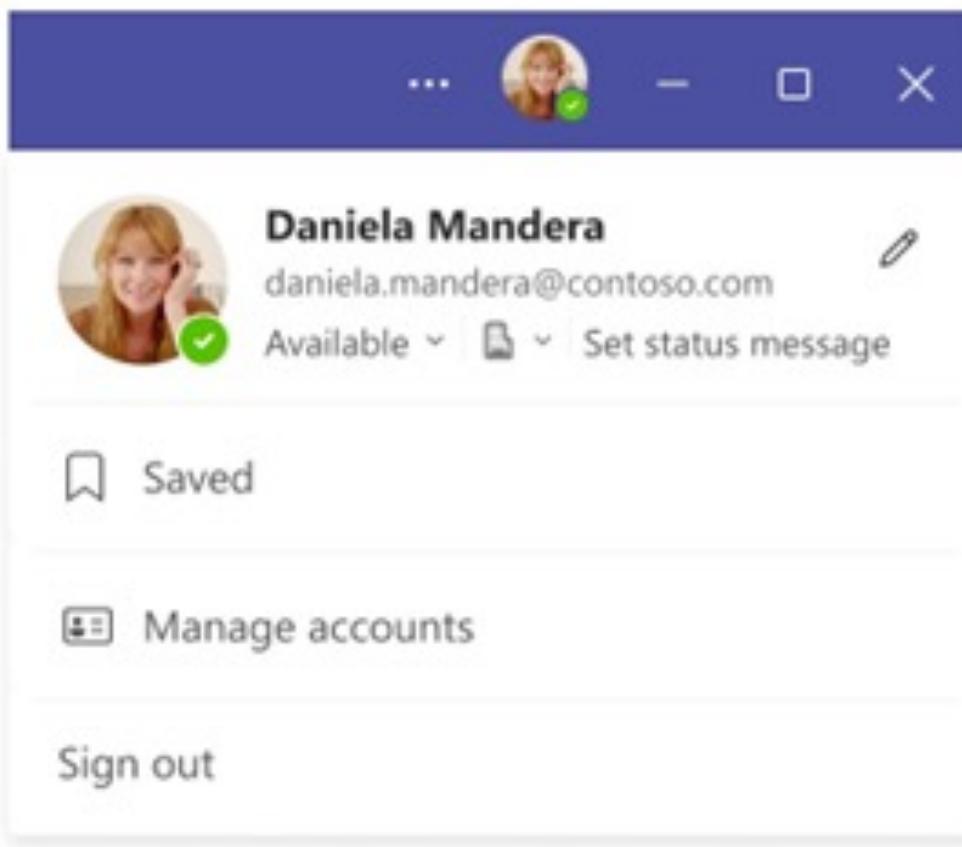

Aaron Buxton: We haven't had a break in awhile

At the bottom, there's a message input field: "Type a message" with a smiley face, plus, and send icons.

# Compact chat list

# Work location in Teams

# Custom background enhancements for Teams Rooms on Windows

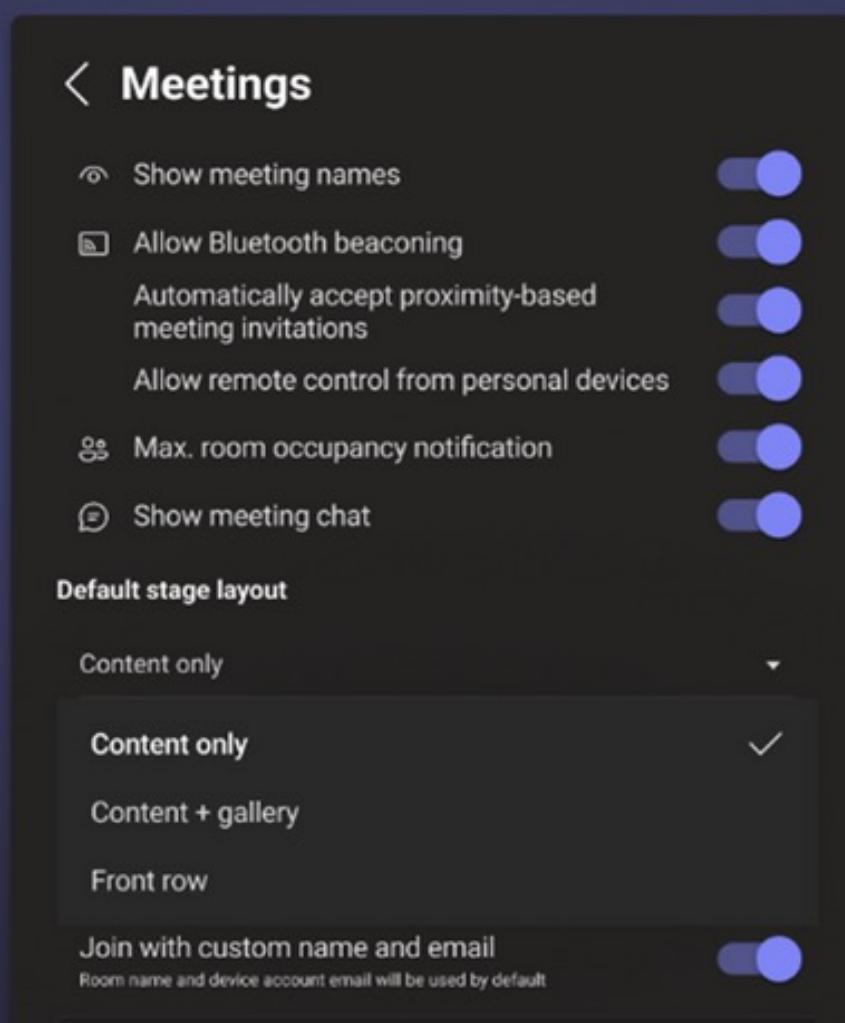

# View Together mode for everyone on MTRoW

The screenshot shows a Microsoft Teams meeting interface. At the top left, it displays "9:35 AM" and "Conference room 16537/Av/13 - Diagon Alley". On the right, there's a participant list with "In the meeting (3)" and a "Mute all" button. Below the participant list is a "Customize your view" section with two options: "Auditorium" (showing a grid of 50 seats) and "Dining Room" (showing a room with a round table and chairs). A "1 / 3" indicator is shown between the options. At the bottom of this section is an "Apply" button. In the center, a large modal window is open, titled "Together mode". It contains four options: "Gallery", "Large gallery", "Front row", and "Together mode" (which is selected, indicated by a checkmark icon). Below these options is a checkbox labeled "Select for everyone" and an "Apply" button. At the bottom of the modal is a "Show chat" toggle switch, which is turned on (blue). The background of the entire interface is dark.

# Default meeting layout controls for MTRoA

The screenshot shows the 'Meetings' settings page in Microsoft Teams. At the top left is a back arrow icon and the word 'Meetings'. Below this are several toggle switch controls:

- Show meeting names (on)
- Allow Bluetooth beacons (on)
- Automatically accept proximity-based meeting invitations (on)
- Allow remote control from personal devices (on)
- Max. room occupancy notification (on)
- Show meeting chat (on)

Below these is a section titled 'Default stage layout' with a dropdown menu. The options listed are 'Content only', 'Content + gallery', 'Front row', and 'Join with custom name and email'. The 'Content only' option is selected, indicated by a checkmark next to it.
