Meetings

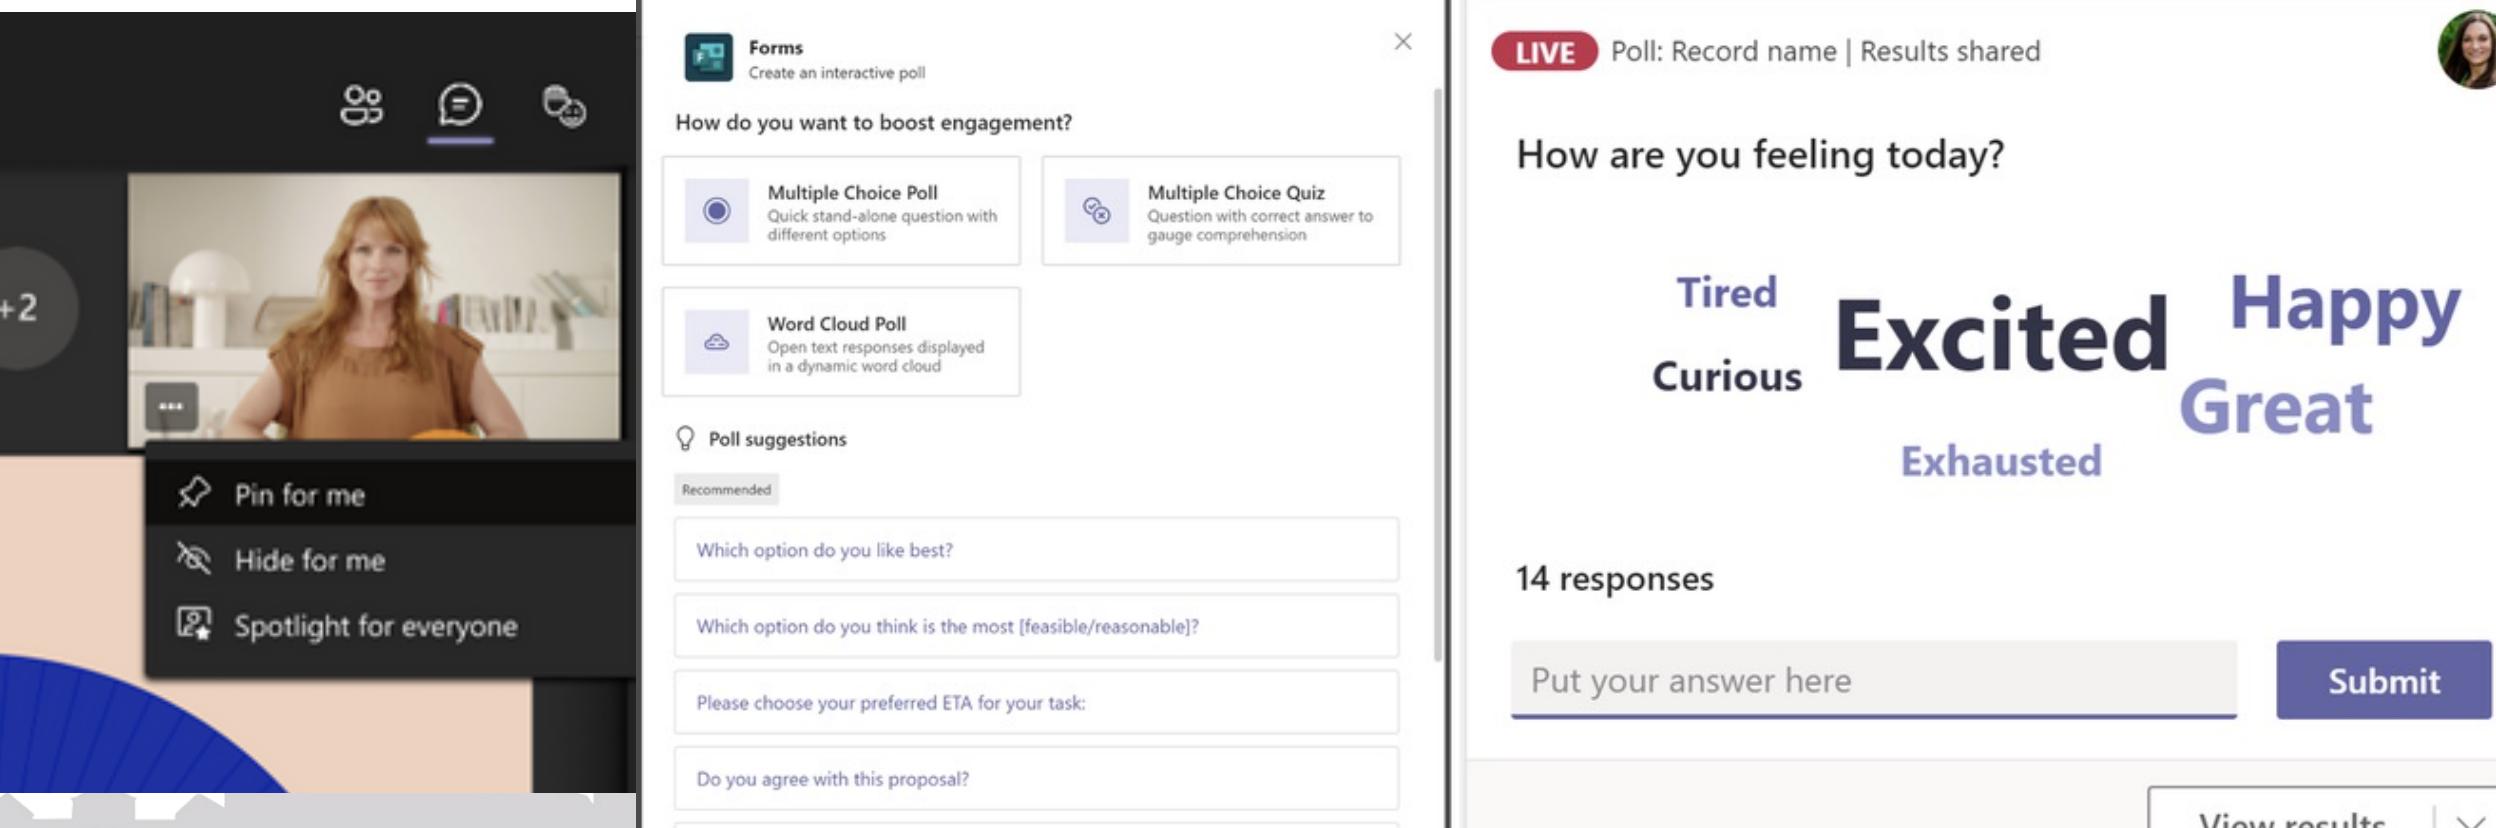

Updated companion mode for iOS users

Meeting

- Pin and hide your own video in Teams meetings
- Support open-text question poll for Teams meetings (word cloud)

The image shows a Microsoft Teams meeting interface. On the left, a participant's video feed is visible, with a pinned overlay menu showing options: "Pin for me", "Hide for me", and "Spotlight for everyone". A central modal window titled "Forms" offers three poll types: "Multiple Choice Poll", "Multiple Choice Quiz", and "Word Cloud Poll". Below this, a "Poll suggestions" section lists questions like "Which option do you like best?", "Which option do you think is the most [feasible/reasonable]?", "Please choose your preferred ETA for your task:", and "Do you agree with this proposal?". To the right, a "LIVE" poll titled "Record name | Results shared" displays a word cloud of responses for the question "How are you feeling today?". The words visible in the cloud include "Tired", "Curious", "Excited", "Happy", "Great", and "Exhausted". At the bottom, there is a text input field "Put your answer here" and a "Submit" button.

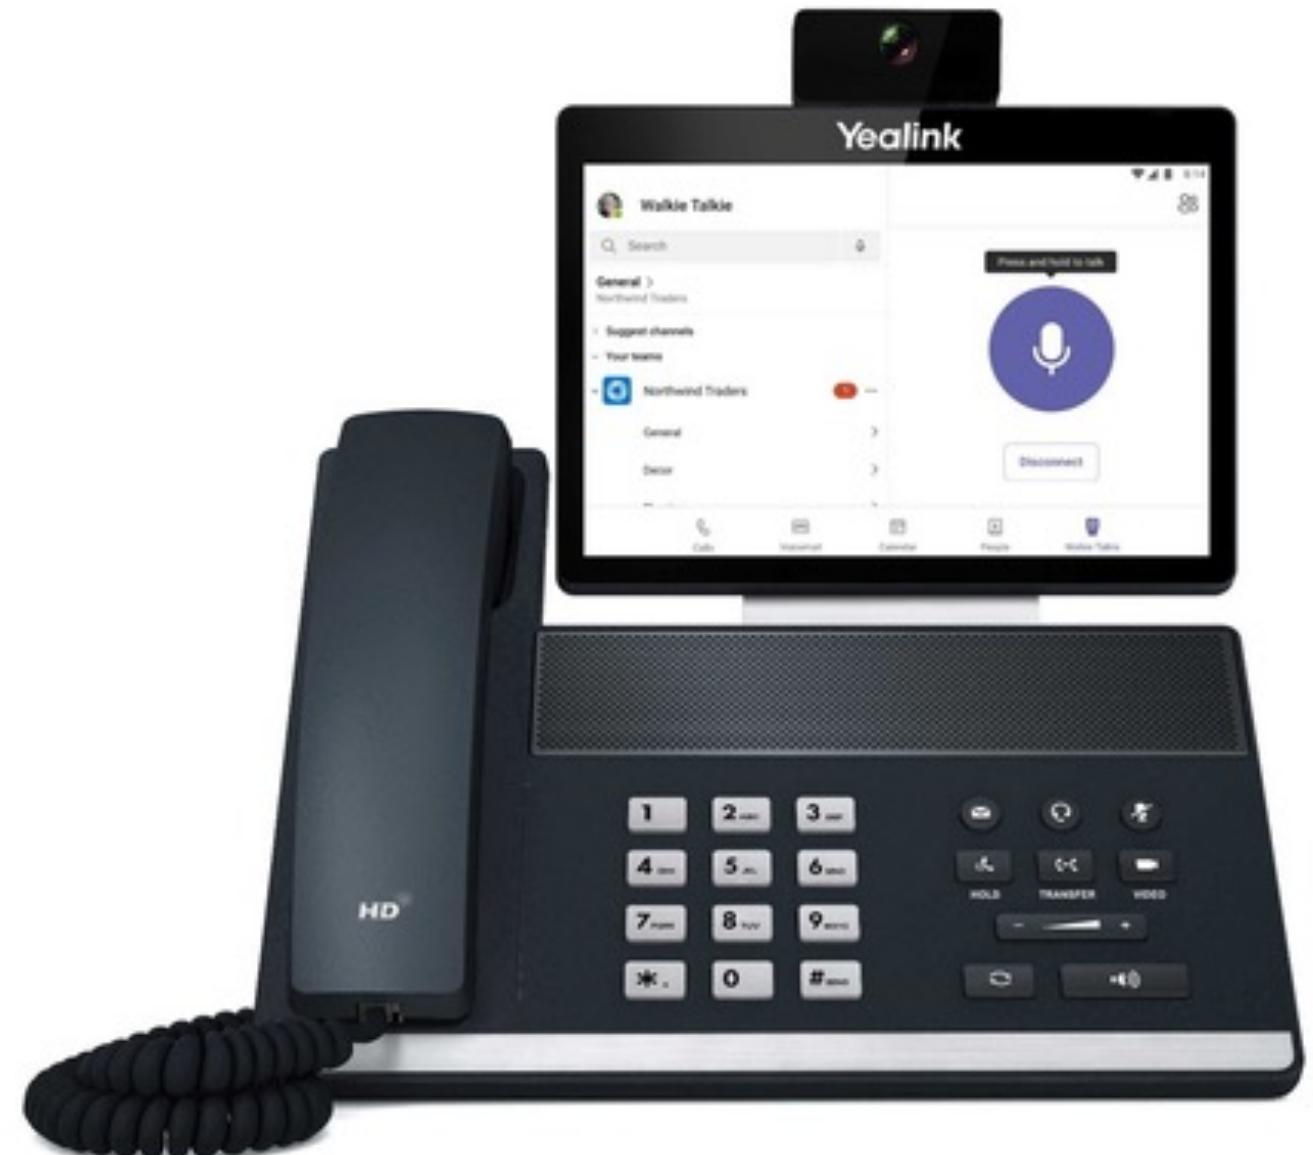

Calling

MÜNCHEN

Calling

- Walkie Talkie in Teams phone devices

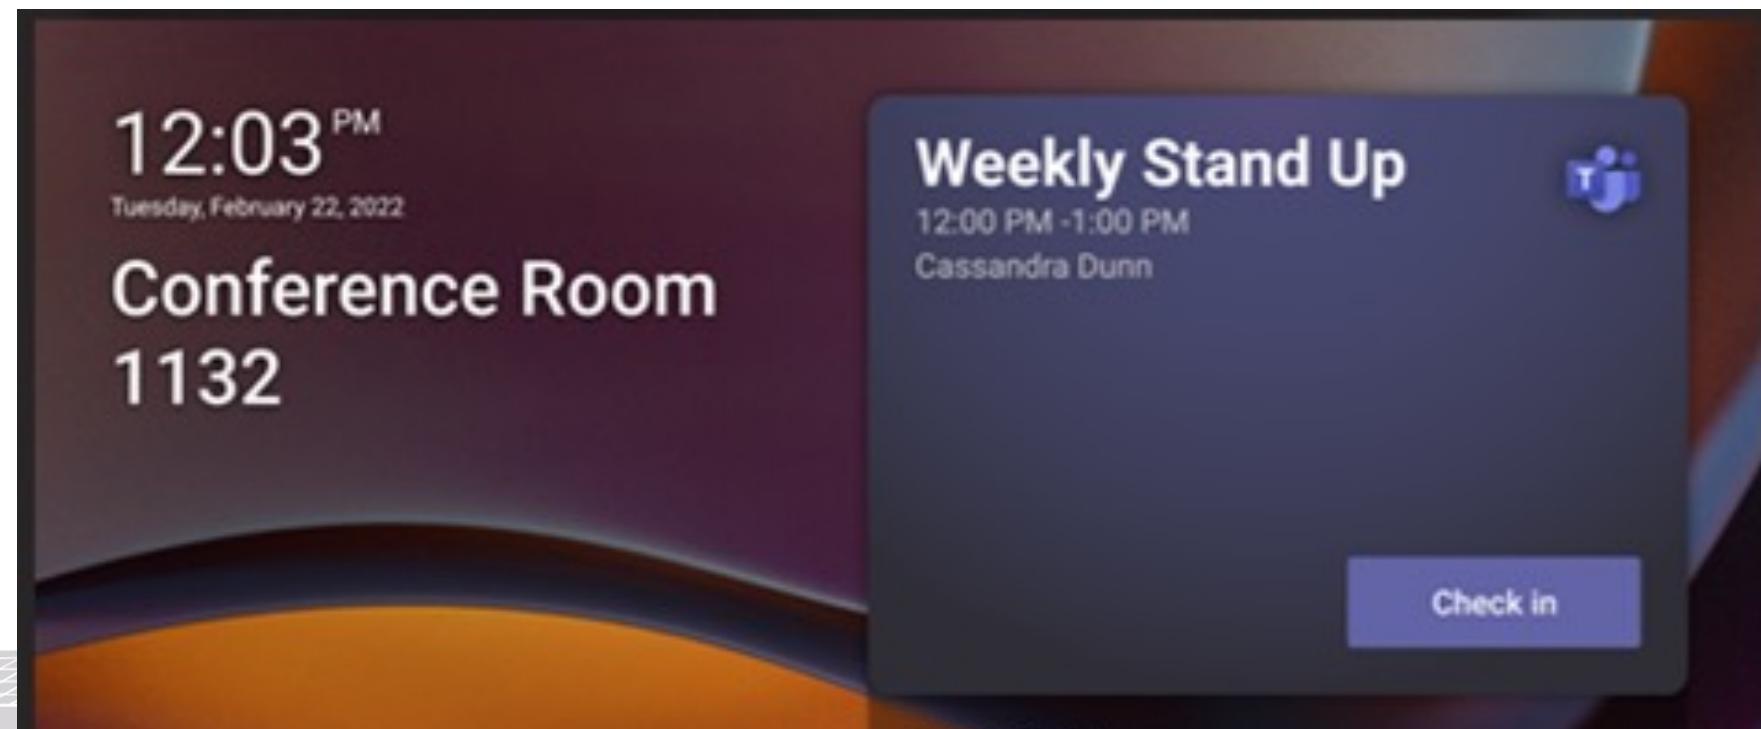

Devices

MÜNCHEN

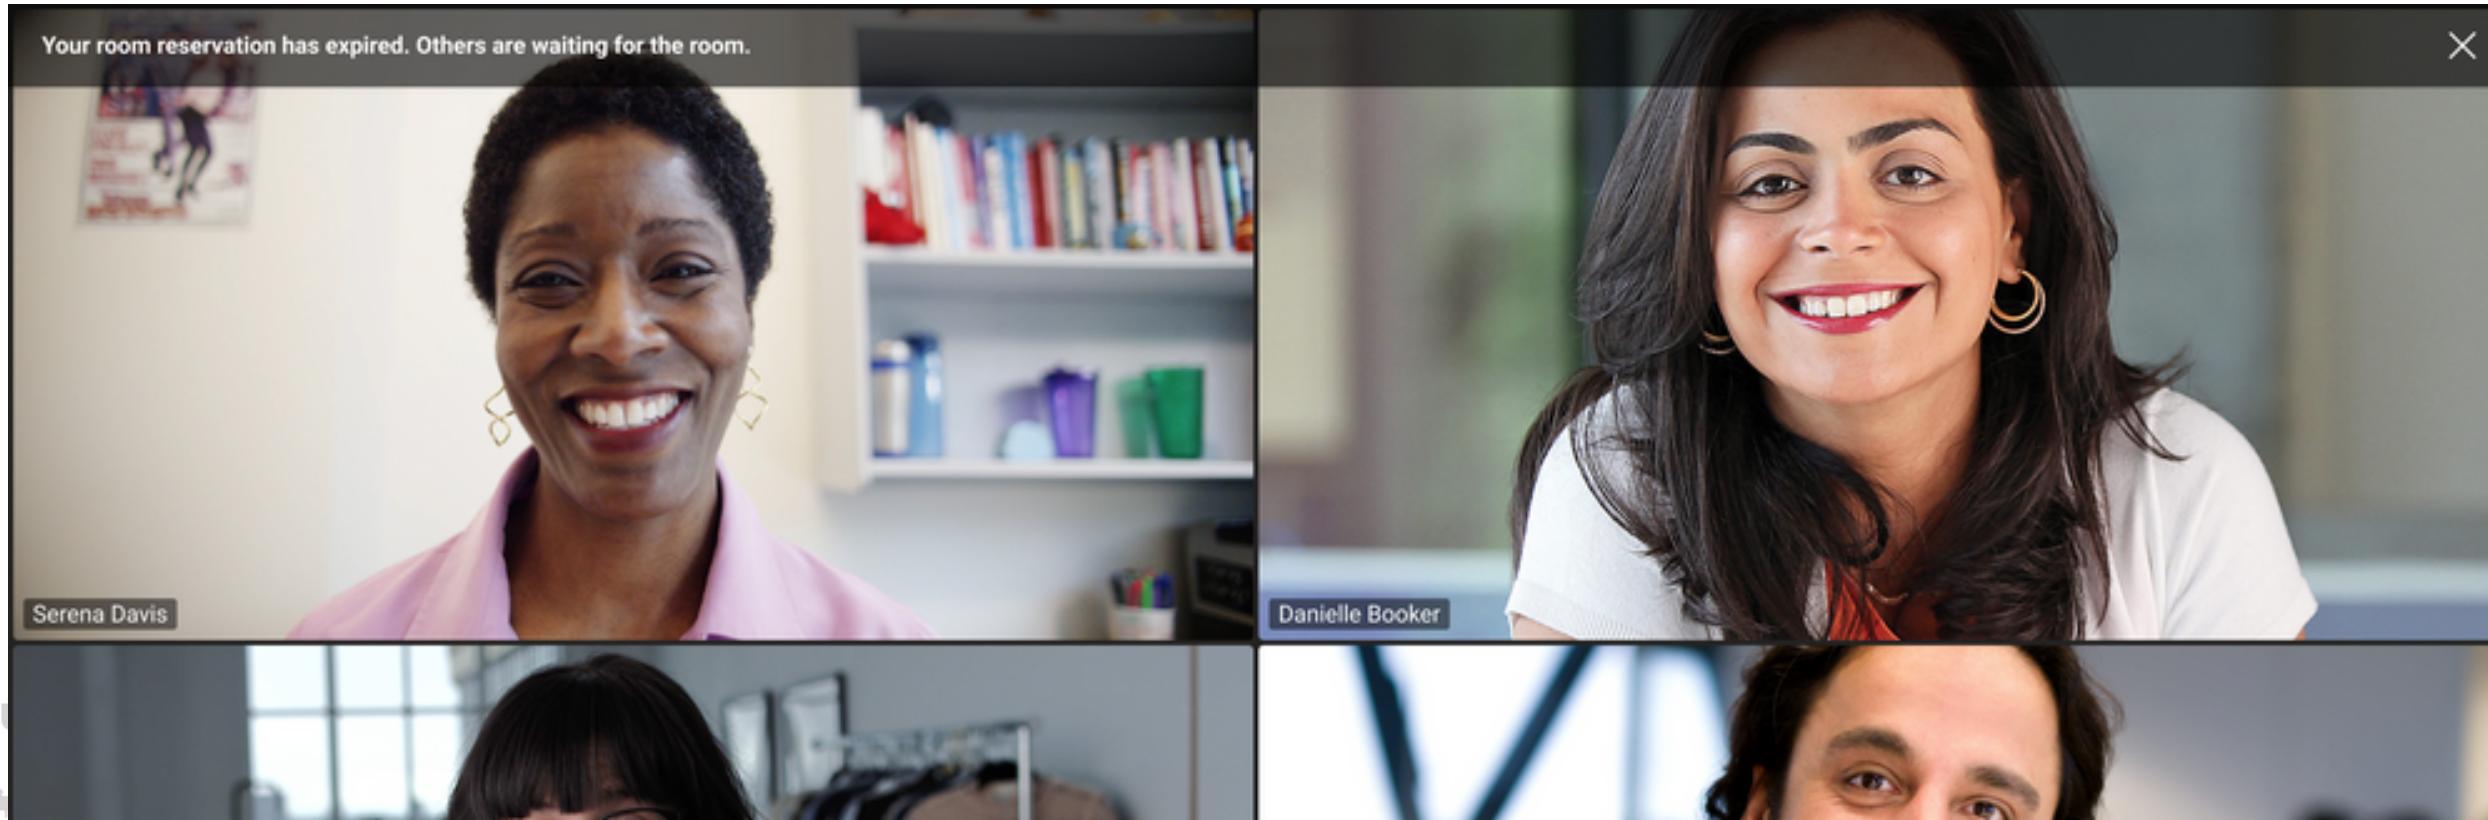

Devices

- Teams panels check in and rooms release
 - Meeting join on MTRoA (1449/1.0.96.2022011305 or above) is recognised as checking in
 - MTRoW will be available later

Devices

- Check-in “knock-knock” notification on front-of-room display
 - Paired MRT + Teams panel can be used to send notification

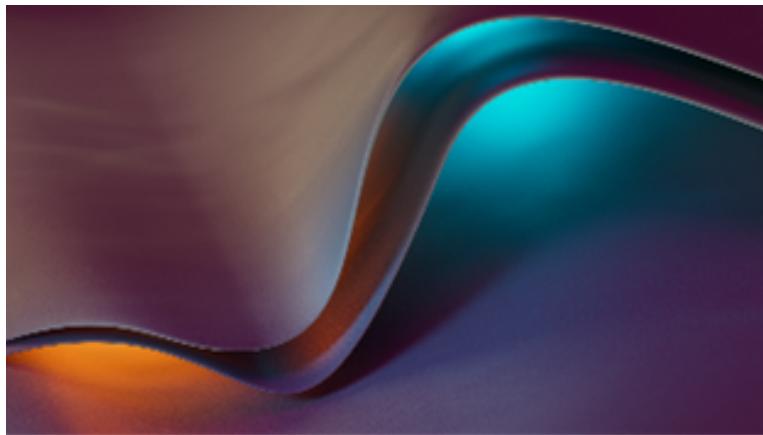

Devices (MTRoA)

- Meeting improvements
 - More videos on screen, multiple spotlights, new reactions, dual monitor video support

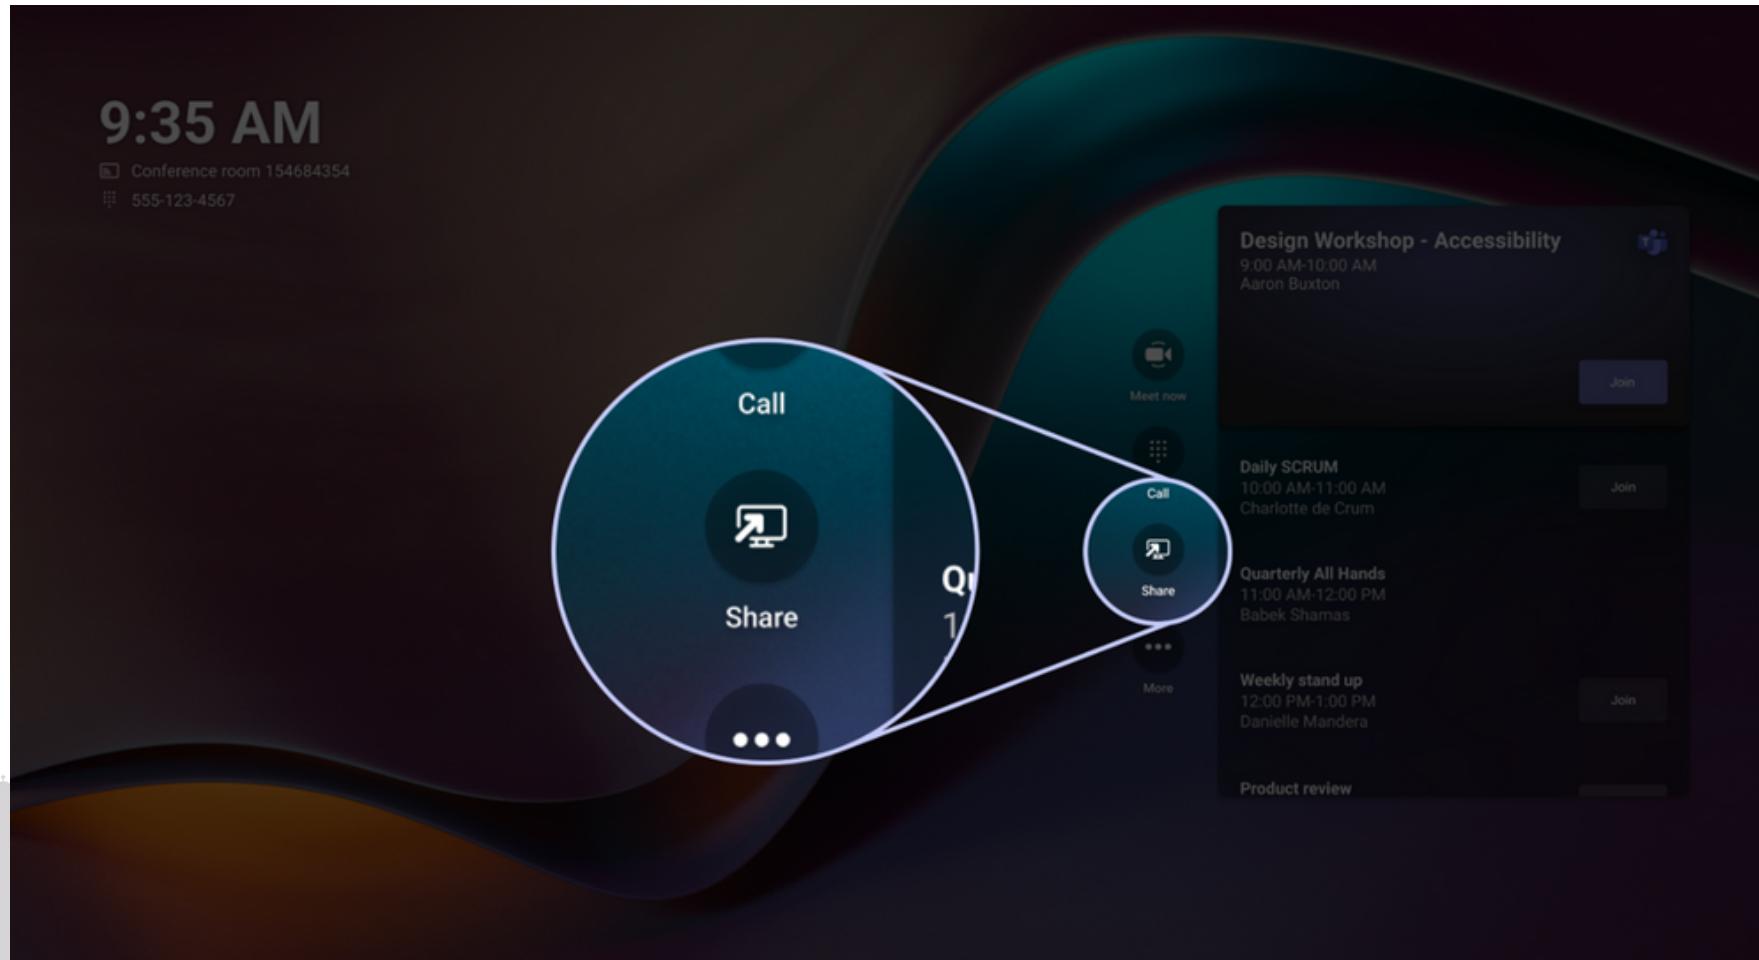

Devices (MTRoA)

- Wallpapers

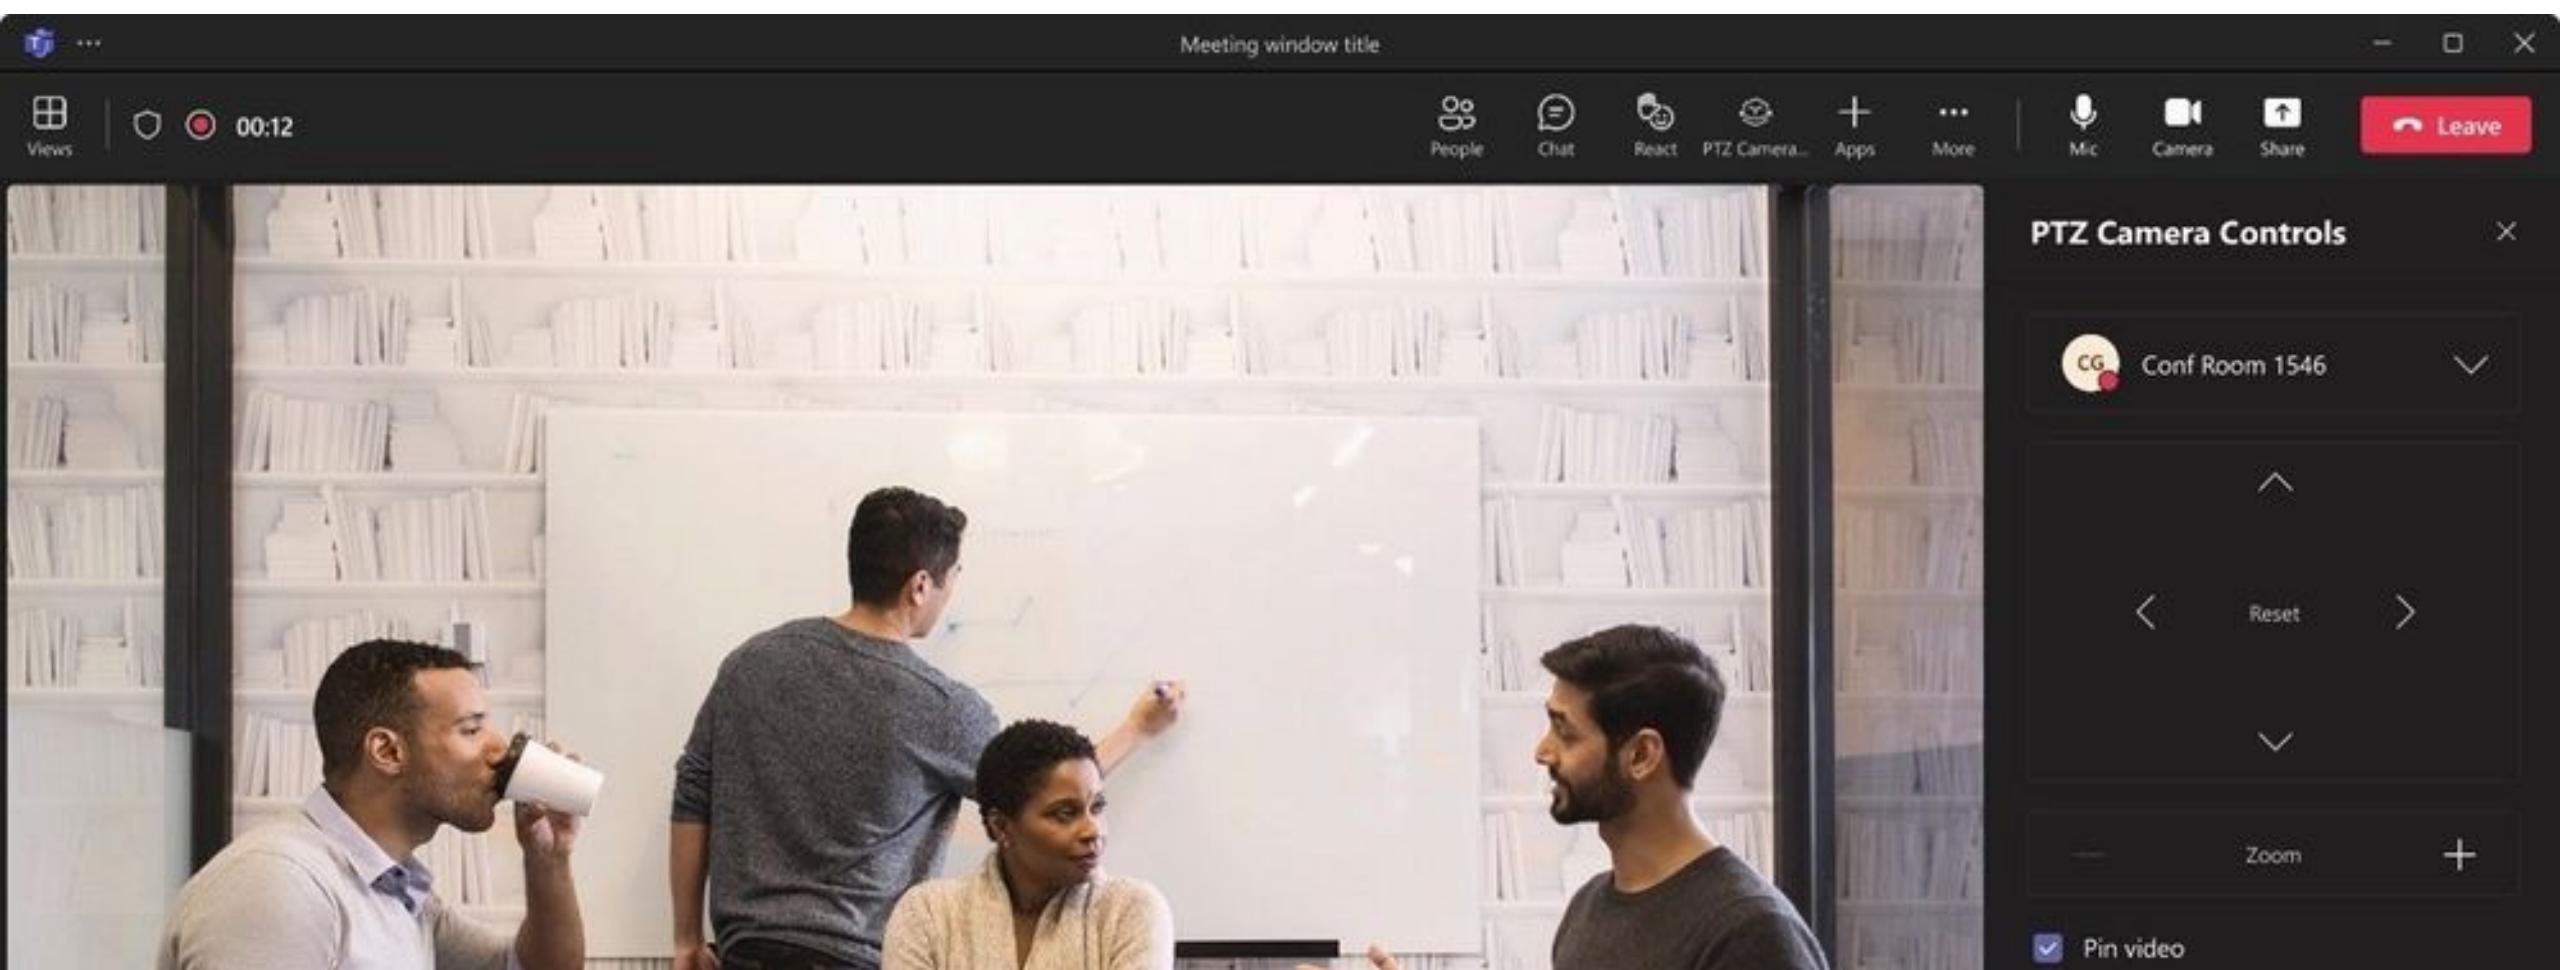

Devices (MTRoA)

- HDMI ingest and sharing

Devices (MTRoA)

- Far end camera control

Certified devices

- Yealink UVC34 all-in-one USB video bar
- Yealink MVC340

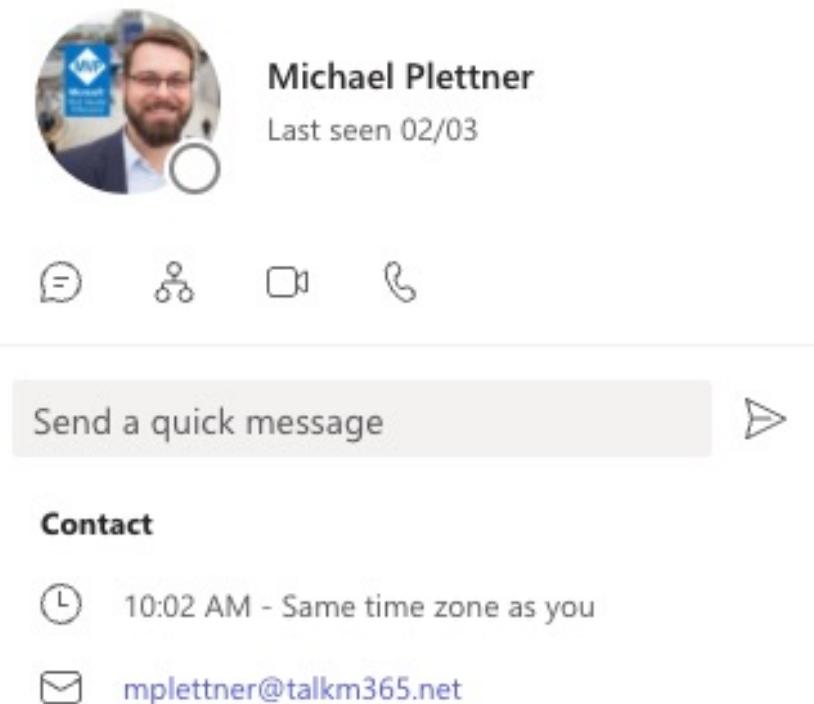

Chat & Collaboration

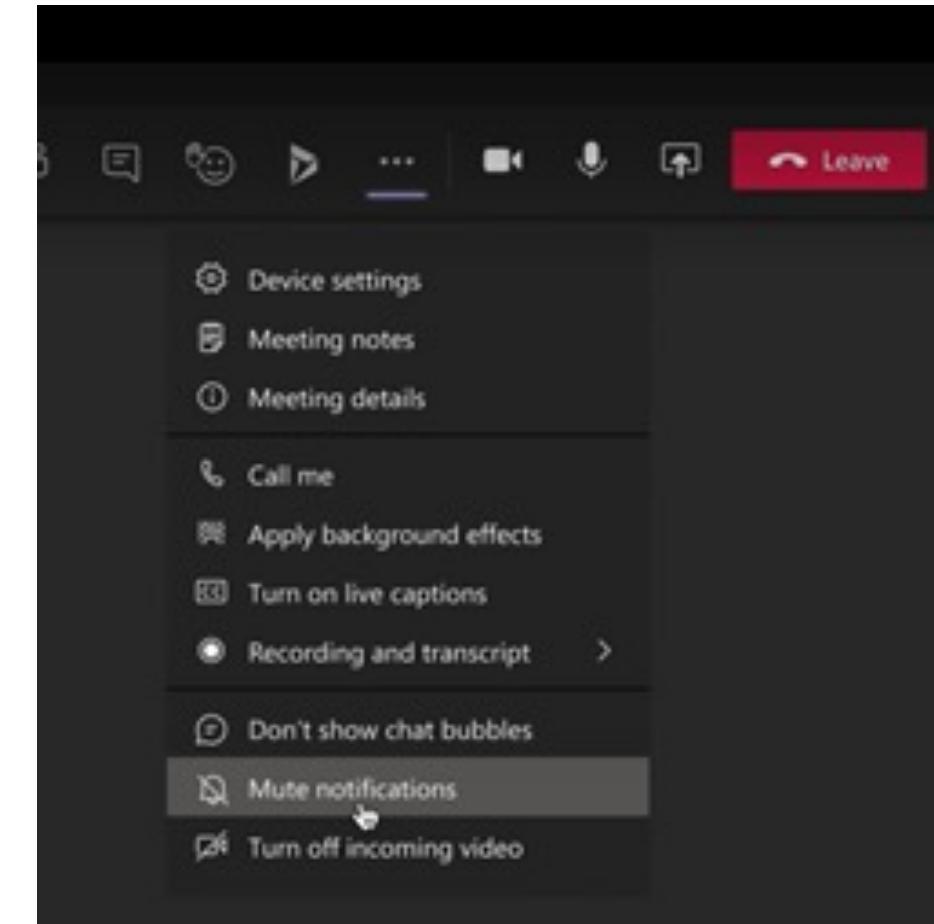

MÜNCHEN

Chat & Collaboration

- Pairing the channel and corresponding SharePoint folder name
- Mute notifications during meetings
- Local time added to people profile

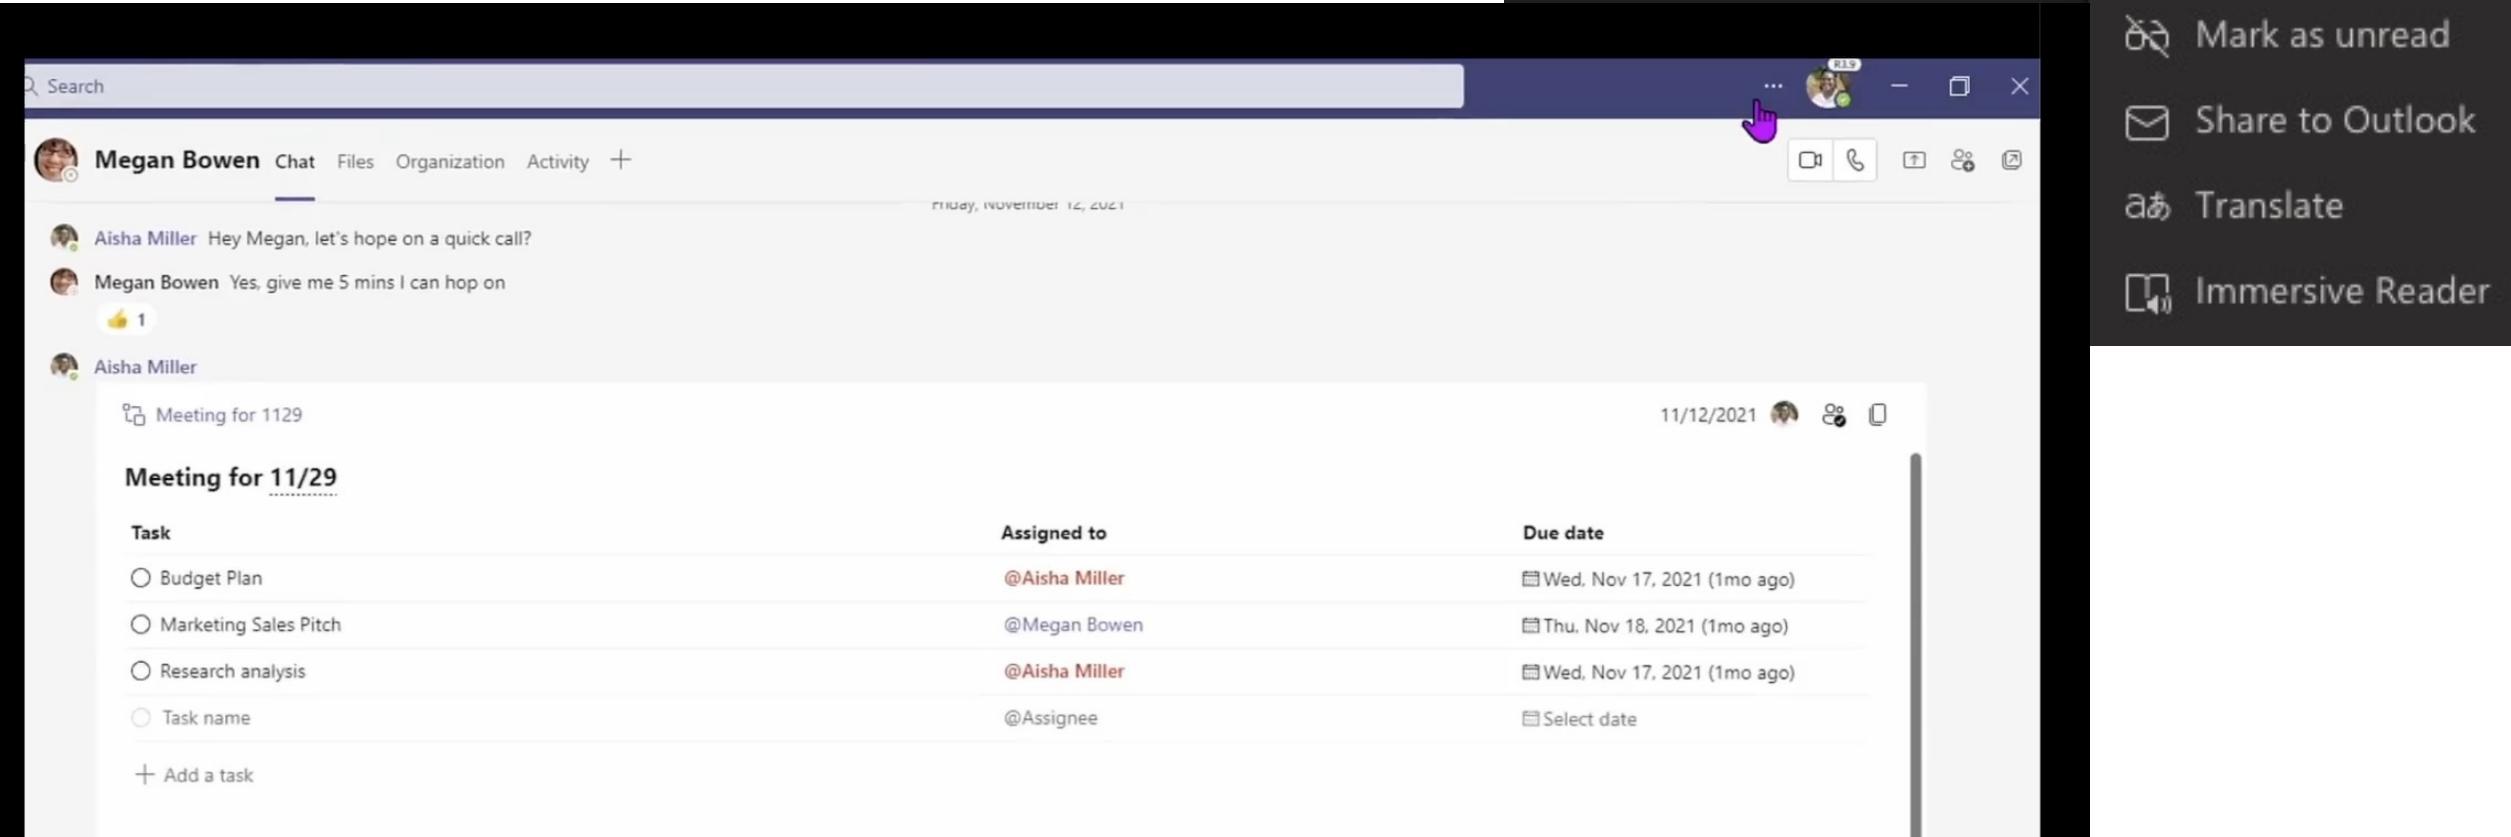

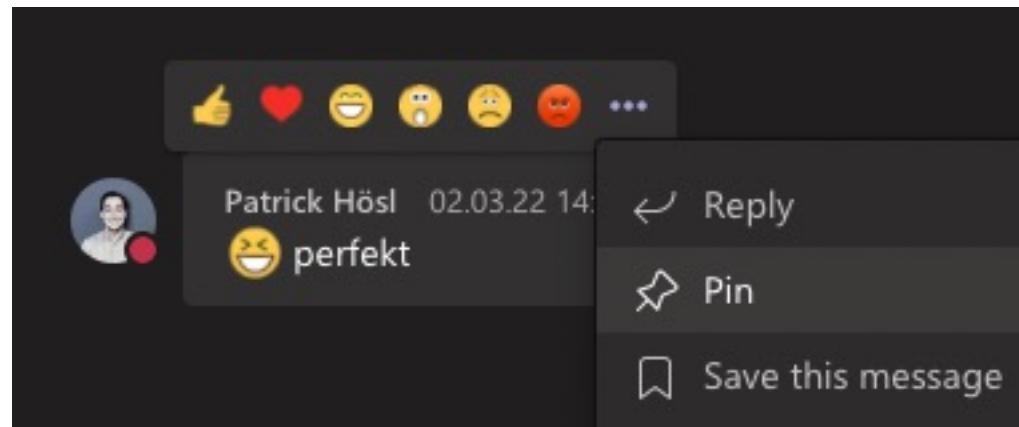

A screenshot of a Microsoft Teams contact card for Michael Plettner. At the top left is a circular profile picture of Michael Plettner, a man with a beard, wearing a blue shirt and a dark jacket. To the right of the picture is his name, "Michael Plettner", and below it, "Last seen 02/03". Below this information are four small icons: a speech bubble, a person icon, a video camera icon, and a telephone receiver icon. A horizontal line separates this from the main contact area. Below the line is a light gray bar containing the text "Send a quick message" followed by a large, light gray arrow pointing to the right. Underneath this bar is the heading "Contact". Below "Contact" is a list of two items: a clock icon followed by "10:02 AM - Same time zone as you", and an envelope icon followed by "mplettner@talkm365.net". In the bottom left corner of the slide, there is a small graphic of a city skyline silhouette with the word "MÜNCHEN" written vertically next to it.

Chat & Collaboration

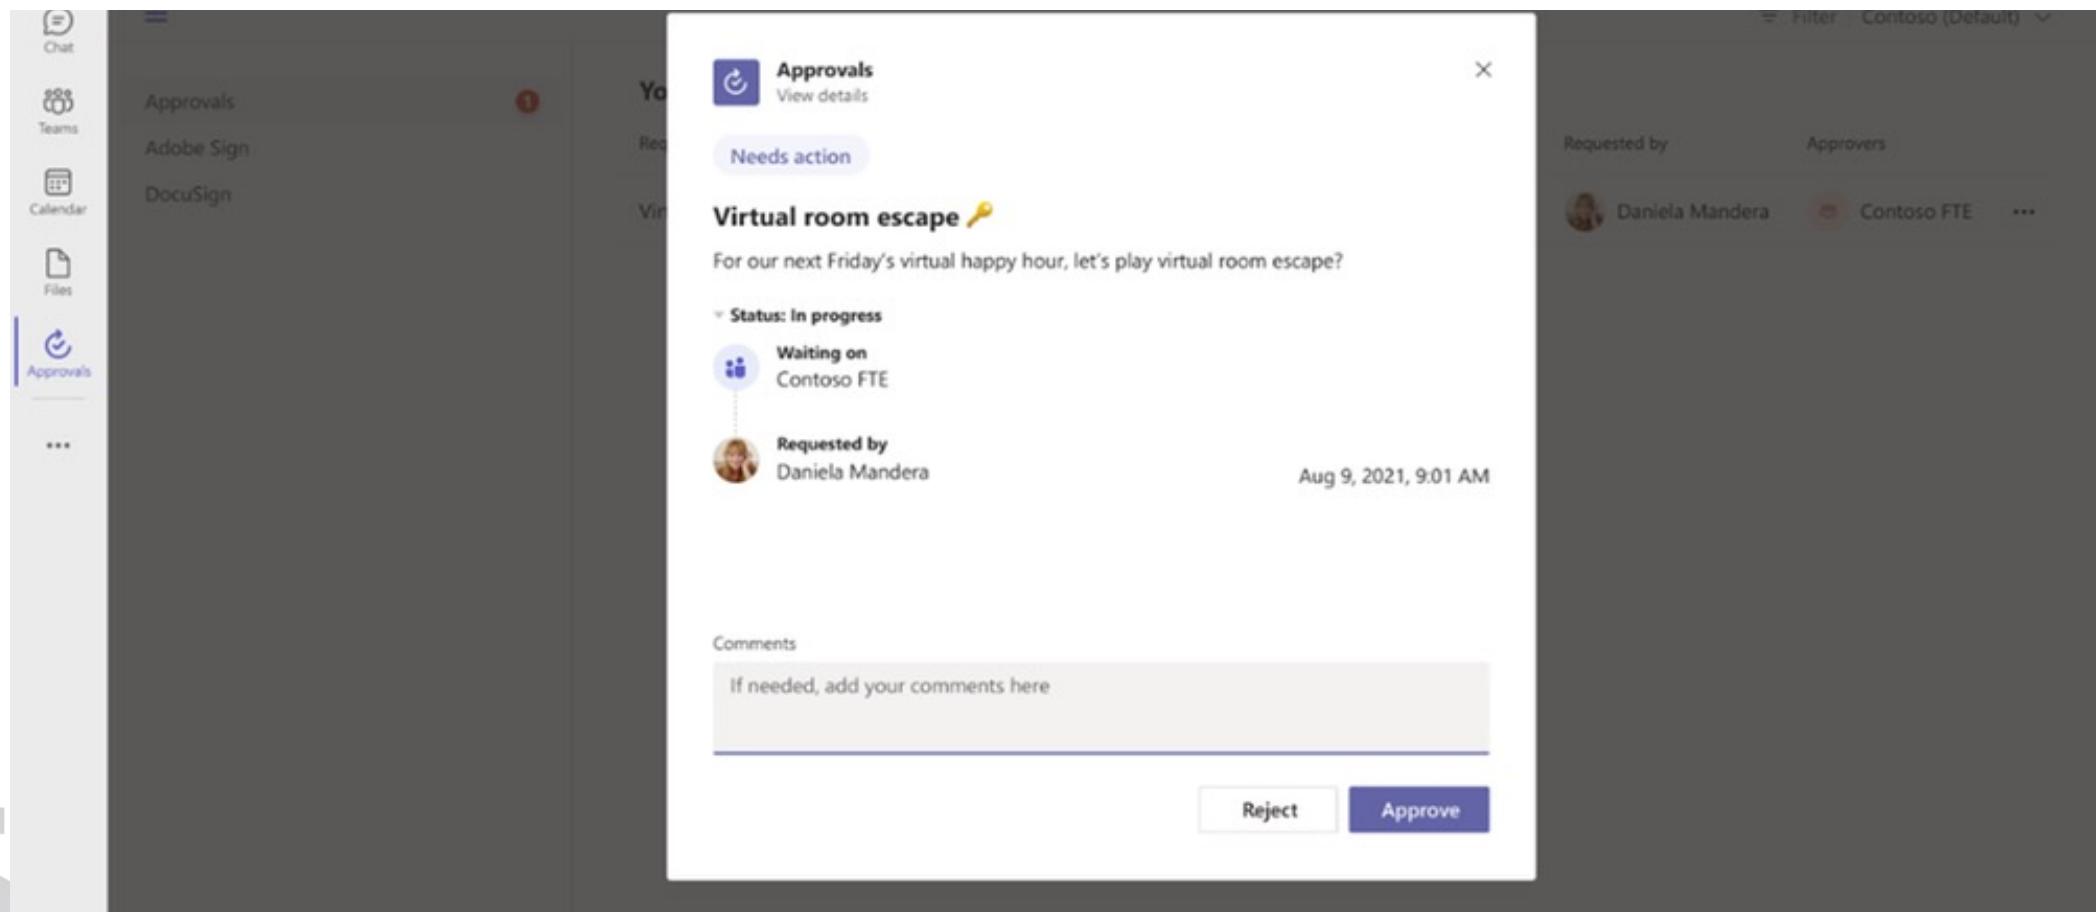

- Pin chat messages
- Chat density

The screenshot shows the Microsoft Teams desktop application. At the top, there's a search bar and a ribbon with tabs: Chat, Files, Organization, Activity, and a plus sign for new items. The main area is a chat window between Megan Bowen and Aisha Miller. Megan has pinned a task card for a meeting on November 12, 2021, which includes a link to a meeting for 11/29 and a list of tasks assigned to Aisha Miller and Megan Bowen with due dates ranging from Nov 17 to Nov 18, 2021. On the right side of the screen, a vertical sidebar displays a pinned message from Patrick Hösl with the text "perfekt". Below the message are several pinned action cards: Reply, Pin, Save this message, Mark as unread, Share to Outlook, Translate, and Immersive Reader. A purple hand cursor is pointing at the three-dot menu icon in the top right corner of the pinned message card.

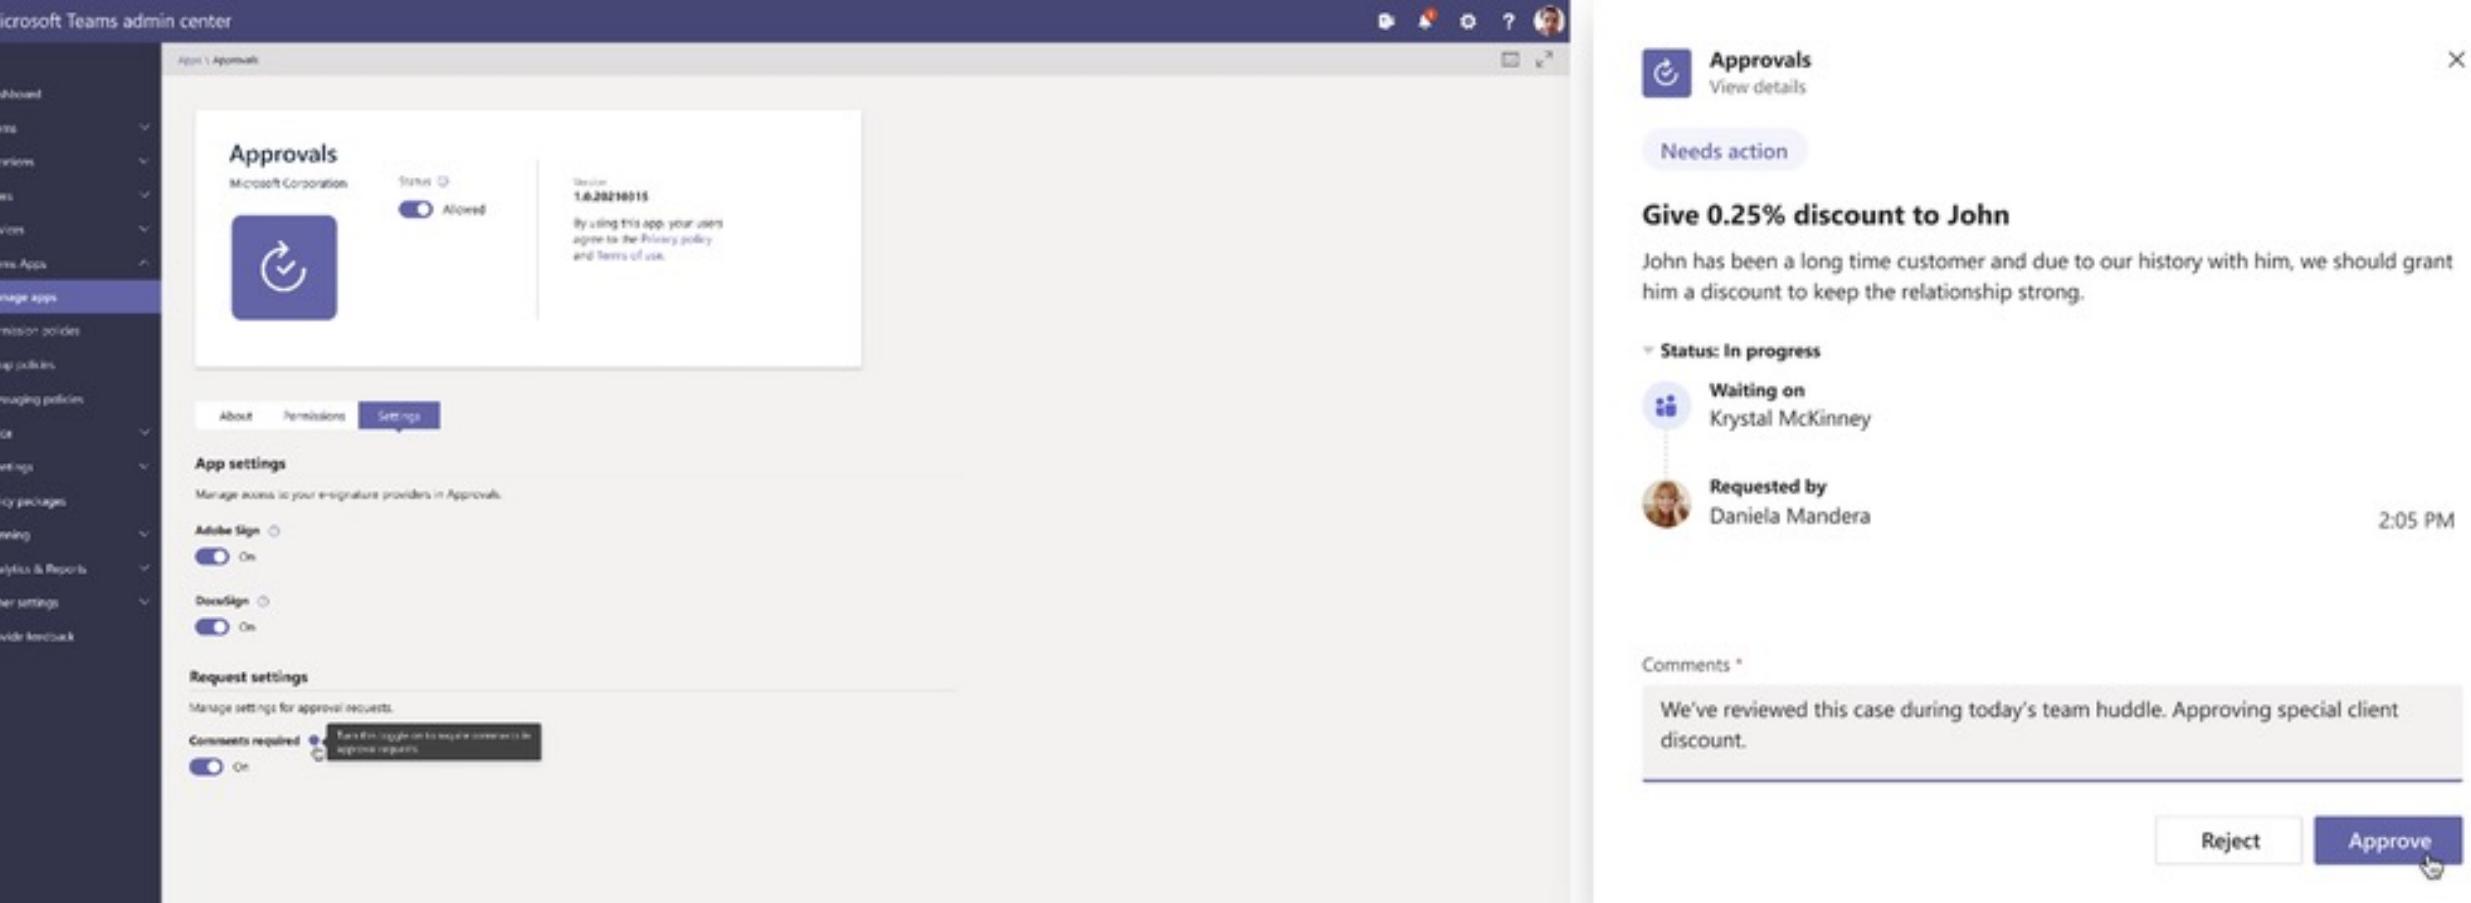

Chat & Collaboration

- Respond to group approval requests within Teams Approval app

Chat & Collaboration

- Mandatory comments within the Teams Approval app

The image shows two screenshots related to Microsoft Teams' approval features.

Left Screenshot: Microsoft Teams Admin Center - Approvals App Settings

- App Overview:** Shows the "Approvals" app by Microsoft Corporation with a status of "Allowed".
- Version:** 1.6.28218.015
- Usage Note:** By using this app, your users agree to the [Privacy policy](#) and [Terms of use](#).
- App settings:** Includes sections for "Adobe Sign" (On) and "DocuSign" (On).
- Request settings:** Includes a toggle for "Comments required" which is turned "On". A tooltip indicates: "Turn this toggle on to require comment on all approval requests."

Right Screenshot: Microsoft Teams Approval Request

A Microsoft Teams message card for an approval request:

- Needs action:** Give 0.25% discount to John
- Description:** John has been a long time customer and due to our history with him, we should grant him a discount to keep the relationship strong.
- Status:** In progress
- Waiting on:** Krystal McKinney
- Requested by:** Daniela Mandera
- Comments:** We've reviewed this case during today's team huddle. Approving special client discount.
- Buttons:** Reject (white background) and Approve (blue background, highlighted with a mouse cursor).

Power Platform and custom development

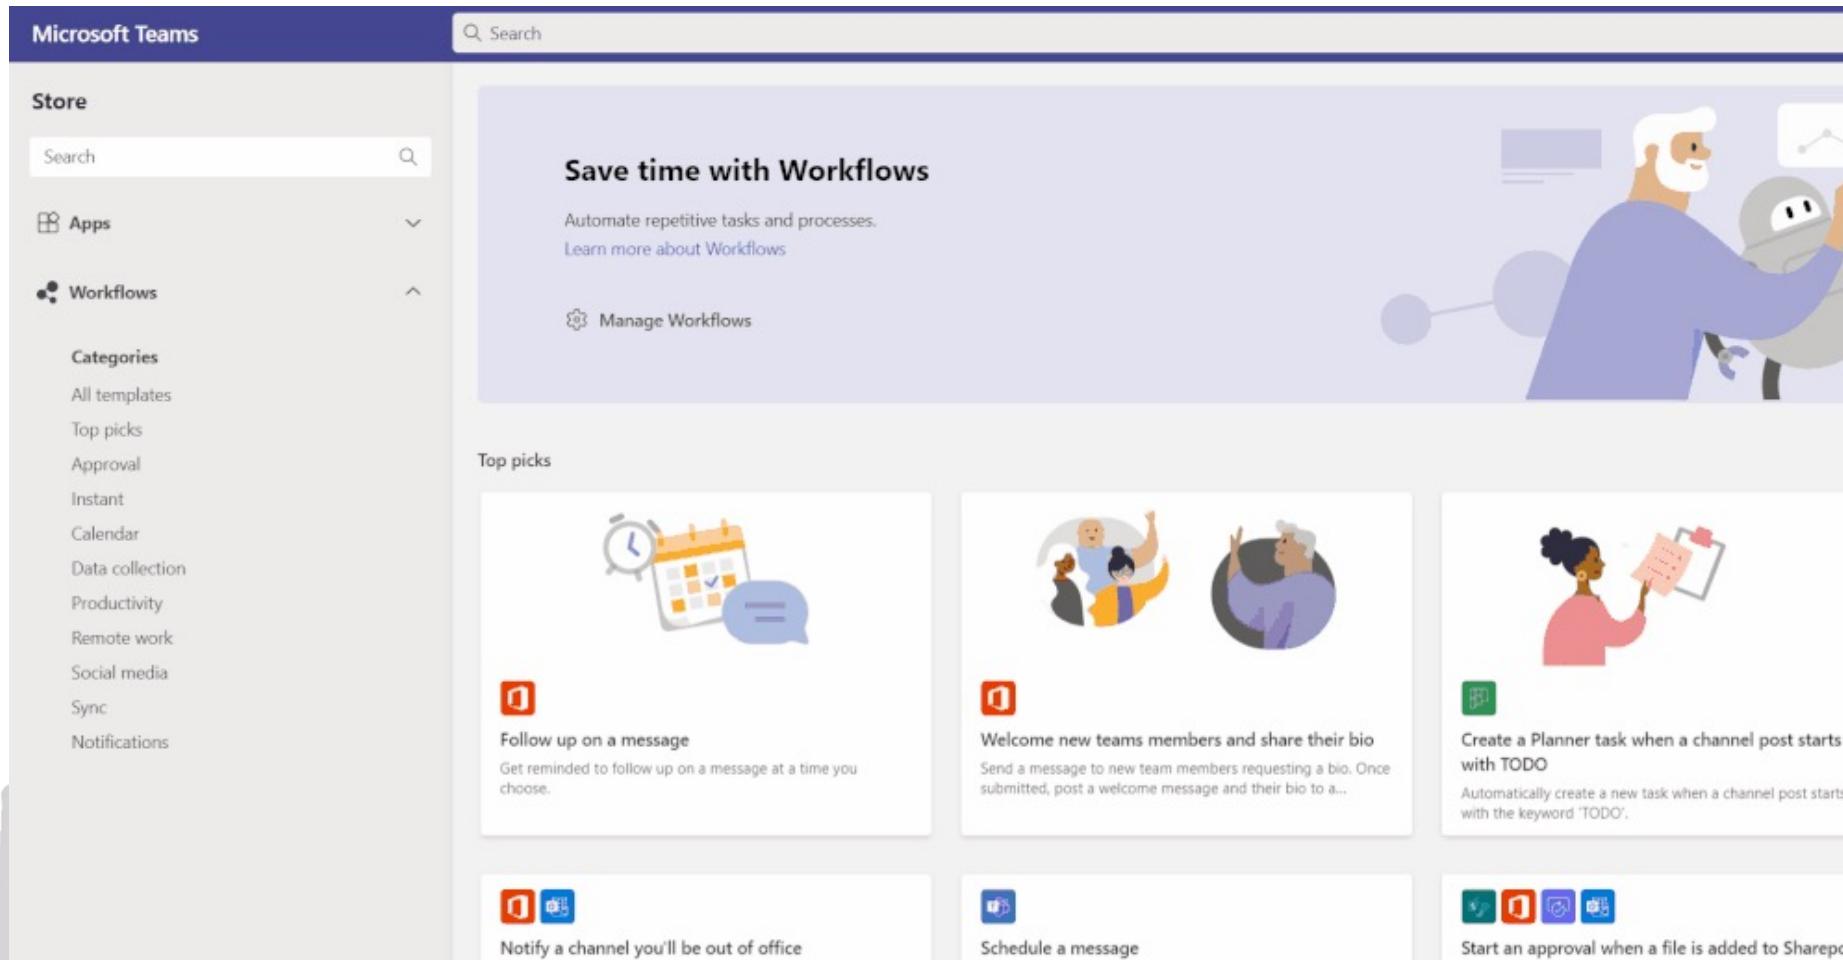

Power Platform and custom development

- Enable third-party Teams app developers to test the in-product purchase experience within the Teams client
- Interoperability with Azure Communication Services
- Share specific parts of the App to meeting stage
- Changes to Microsoft Teams apps native permissions in the browser
- Power Automate actions for meetings, teams, channels and chat

Power Platform and custom development

- Workflows in Teams app store and new message extensions

The screenshot shows the Microsoft Teams App Store interface. On the left, there's a sidebar with a search bar, a 'Store' section, and categories like 'Apps' and 'Workflows'. Below that is a 'Categories' section with links to 'All templates', 'Top picks', 'Approval', 'Instant', 'Calendar', 'Data collection', 'Productivity', 'Remote work', 'Social media', 'Sync', and 'Notifications'. The main area features a large banner titled 'Save time with Workflows' with a sub-section 'Top picks'. It displays five workflow templates: 1. 'Follow up on a message' (red icon), which reminds you to follow up on a message at a chosen time. 2. 'Welcome new teams members and share their bio' (orange icon), which sends a message to new team members requesting a bio and posts it. 3. 'Create a Planner task when a channel post starts with TODO' (green icon), which automatically creates a task in Planner when a keyword is used. 4. 'Notify a channel you'll be out of office' (blue icon). 5. 'Schedule a message' (purple icon). At the bottom, there's another row of icons for 'Start an approval when a file is added to SharePoint'.

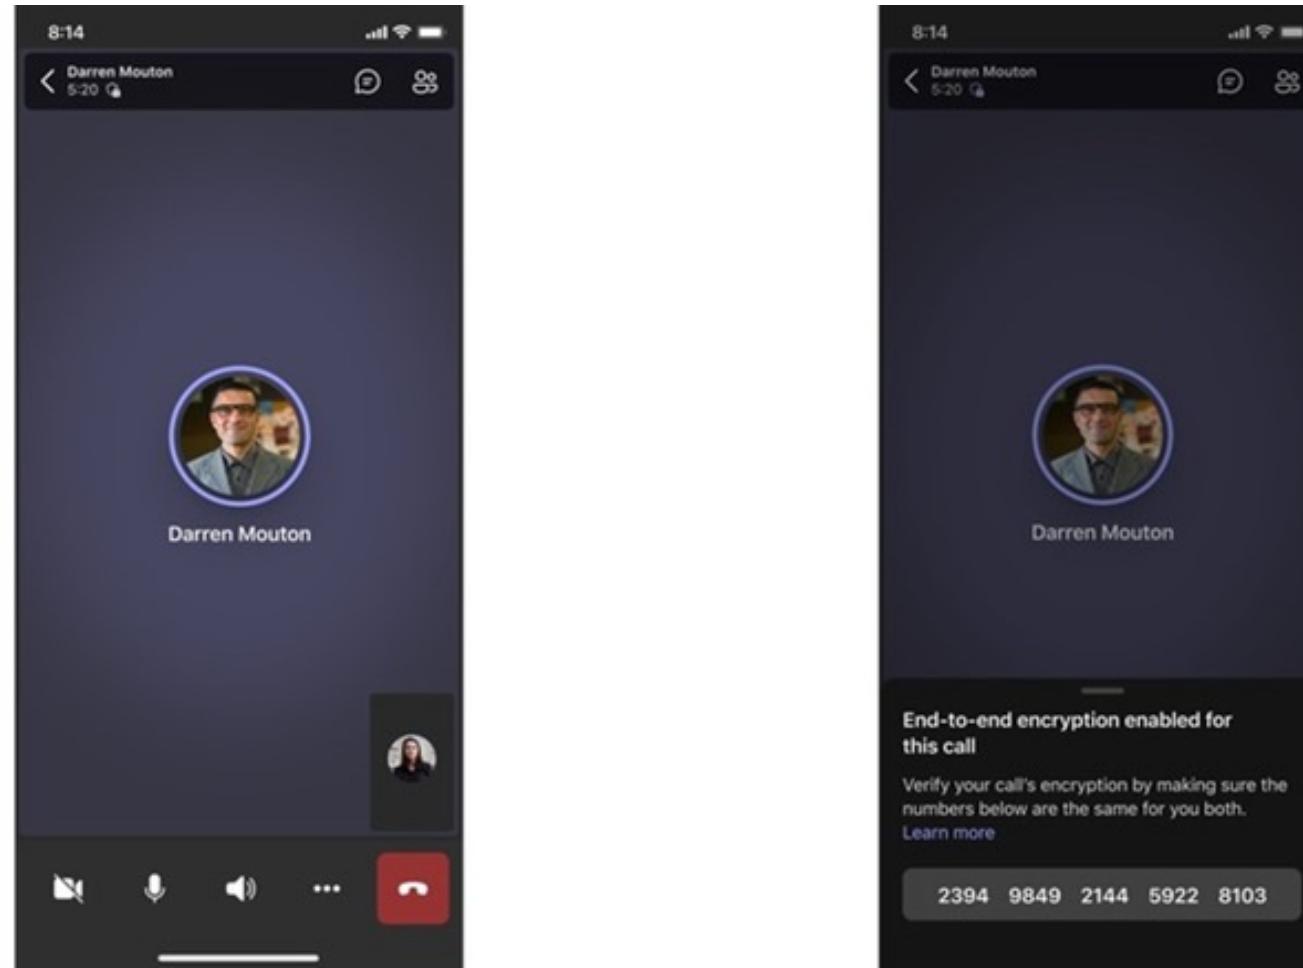

Security, Management and EDU

Security and compliance

- End-to-end encryption (E2EE) option for 1:1 Teams calls for mobile

Management & Education

- Management
 - New Tag Management settings (default changed from “Teams owners” to “Teams owners and members”)
- EDU
 - Career Coach – edX learning content
